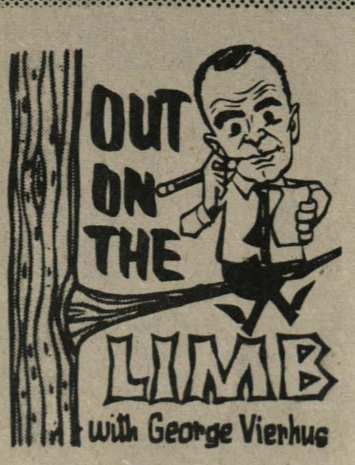
Vol. 81 No. 10 Wednesday, March 7, 1973 10¢

378-9136 35 Dillon Avenue, Campbell, California



THERE IS ALWAYS A let-down after the annual struggle with the progress edition.

It is difficult to get back onto the regular routine.

During the weeks preceding the progress edition, there was organized confusion.

But there was no problem in finding something to do.

It is not that we haven't plenty to do ordinarily.

However, we always seem to find time to goof off a little without the roof falling in.

But that was not the case with the 32-page progress edition last week. One might say goof-off time had to be held to a minimal.

Even those who are entirely unfamiliar with the production of a newspaper must recognize that producing a newspaper that is three times the size of the regular weekly offering takes a little extra effort.

Of course on the credit side is the pride we all take in the finished product.

The 32-page 1973 progress edition, with the theme, "a community in balance", which made its appearance last week was the largest single issue ever produced in Campbell and contained more advertising than any other edition.

The news contents were rated high also.

We were all pleased with the results and based on the many compliments we have received, we gather that you all thought it was pretty good also.

It was the eighth progress edition that The Press has published. Many claimed it was the best of the lot.

Of course, that will make it that much tougher next year.

We hope we recover by that time.

-0-

ONE OF THE BIG FACtors in the weekly production, as well as the annual special effort, is the distribution of the paper.

Carol Casteel, the circulation manager, has 53 carrier boys under her wing who stuffed and delivered the missive on time.

Carol and her kids deserve a lot of credit for the efficient job they do every week but they earned a special accolade for their work on the progress edition.

Amazingly there were fewer complaints registered by customers last week than in other weeks.

We should also add that kids almost in every instance received assistance in the stuffing and delivering of the papers from other members of their household.

We know that in many cases, mothers, grandmothers, sisters, brothers, and in some rare instances, even dads, pitched in to give the carriers a hand.

You might say that all in all it was a community effort,

But come to think of it, that's the name of the game.

-0-

TRAFFIC WOES OF ONE kind or another continue to plague the community and, unfortunately, things don't seem to be improving because the traffic flow appears to be getting heavier and heavier in the problem areas.

The traffic survey that was taken on East Campbell Ave. revealed that The Towers-PruneYard was one of the major attractions for motorists interviewed on that street during the three-day count.

We suppose we shouldn't be too surprised at that.

The people who throng that center daily, as well as those who work there, have to get there some way.

Traffic was not a problem when an orchard covered the area and that was relatively a short time ago.

And the traffic on Bascom has also increased for the same reason.

Many of us who traverse

(Continued on Page 2)

NEW ORDINANCE, APPEALS, "PEACE-ON-EARTH"

Sign hassle to feature Council meeting Monday

Signs and all their various ramifications that go with them, especially as they are related to freeways, will involve the City Council next Monday, March 12, when the new city sign ordinance comes up for final adoption and two long-pending appeals for two freeway-oriented signs (PruneYard and Gold Key), are also on the agenda.

In addition, the Council is expected to direct the PruneYard as to when the famed, but illegal, "Peace on Earth" sign atop The Towers must come down.

The amended city ordinance that has been under study since last fall was approved by a 3-2 vote at the last meeting. Voting for it were Councilmen Dean Chamberlin, Ralph Doetsch and Rusty Hammer. Casting the negative votes were Councilman Norm Paul and Mayor Bill Podgorsek.

Prior to the second reading (adoption) next Monday, there is expected to be considerable discussion on the controversial issue, spearheaded by members of the cultural task force group of the Citizens Advisory Goals Committee.

Mrs. Masel Sheehan, chairman of the cultural sub-section, and Mrs. Jeanette Watson, chairman of the Civic Improvement Commission, have indicated that their groups oppose any freeway-oriented signs.

Prior to the adoption of the amended sign ordinance, freeway signs were prohibited. The Planning Commission had recommended that the prohibition remain in the new ordinance.

However, the study committee that had worked on the ordinance had suggested that such proposed signs be referred to the Planning Commission.

The amendment that was passed (by a 3-2 vote) allowing freeway signs had been submitted by Councilman Hammer. It specifies that such signs go first to the Planning Commission for recommendation and then to the City Council for adoption.

Although the amended sign ordinance has already been given the first reading, city hall observers point out that a change in one vote at the second reading next Monday could throw the issue wide open again.

The Planning Commission on Monday made no recommendation on the proposed PruneYard and Gold Key signs, suggesting that the City Council should first establish the necessary guidelines. The Commission did, however, suggest modifications, if the Council approves them.

The two sign applications were originally submitted last summer and were denied by Planning Commission under the old city policy. Appeals of this ruling have been pending then awaiting the new ordinance.

In the "Peace on Earth" case, the City Council, after a fruitless series of motions last meeting, deferred action until next Monday, when the sign had to come down.

In the meantime, a letter was received by the city manager this week from Joe Dabaghian, PruneYard manager of operations, indicating that, weather permitting, the sign would come down whenever the Council directed such action.

Other letters were received this week at the city hall from people maintaining that the sign, with its appealing message, should remain permanently.

But city ordinances do not allow such signs.

Freeway signs go to Council

Maintaining that the City Council should determine the criteria for justification of freeway signs allowed under the pending city ordinance, the Planning Commission on Monday did not either approve or disapprove the proposed PruneYard or Gold Key signs, both oriented to the freeway.

However, the Commission in both cases suggested modifications in the two signs, should the City Council approve them. The Council is expected to act on them next Monday, March 12.

Both signs had been turned down previously by the Planning Commission last summer under the city policy that was in effect at that time.

The applicants had appealed the ruling to the Council and their appeals had been held in abeyance while a new sign ordinance was hammered out by a joint city-CofC committee.

The Commission had recommended that the new city ordinance prohibit freeway-oriented signs. But the City Council by a 3-2 vote inserted an amendment providing that freeway-oriented signs would be submitted to the Planning Commission for recommendation and then forwarded to the City Council for final action.

The planning commissioners indicated Monday night that they still were against freeway signs. But, based on the report of their site and architectural approval committee, it was recommended that changes be made in both proposed signs, if the Council saw fit to approve them.

In the PruneYard sign proposal, it was suggested that the "reader board" portion be eliminated on the 58-foot high pole sign that would be located at the northwest corner of the PruneYard. The top portion of the sign would contain 200-square feet and the "reader board" would have 240-square feet, under the proposal.

The commissioners recommended that the proposed sign of Gold Key should eliminate "warehouse showroom," leaving the "logo" and "Gold Key" on the building wall facing the freeway.

The Planning Commission

Campbell elementary goals committee to meet Tuesday

Interested residents in the area served by the Campbell Elementary School are invited to attend the initial meeting of the school's goals steering committee next Tuesday, March 13, at 7 p.m., according to Mike Kennedy, committee chairman. The meeting will be in the cafeteria.

Kennedy said that priorities for discussion topics for the goals setting process will be determined by the people who attend the meetings. He added that it was hoped that parents, non-parents, senior citizens, minority group members, high school and college students and business people will be represented.

A second meeting is scheduled for Monday, March 19.

Committee members are hopeful that all members of the community who have concerns, questions and interest in the educational program will attend these sessions.

Candidate forums to take place

Plans for various board candidate forums to be held throughout the district prior to the April 17 election are scheduled to be announced at the regular meeting of the Campbell Union (elementary) School District trustees this Thursday, March 8.

The board meets at 7 p.m. in the district office.

At the special meeting of the trustees held February 27 at Campbell Elementary School, more than 100 persons were in attendance when the lettuce boycott issue was the featured attraction.

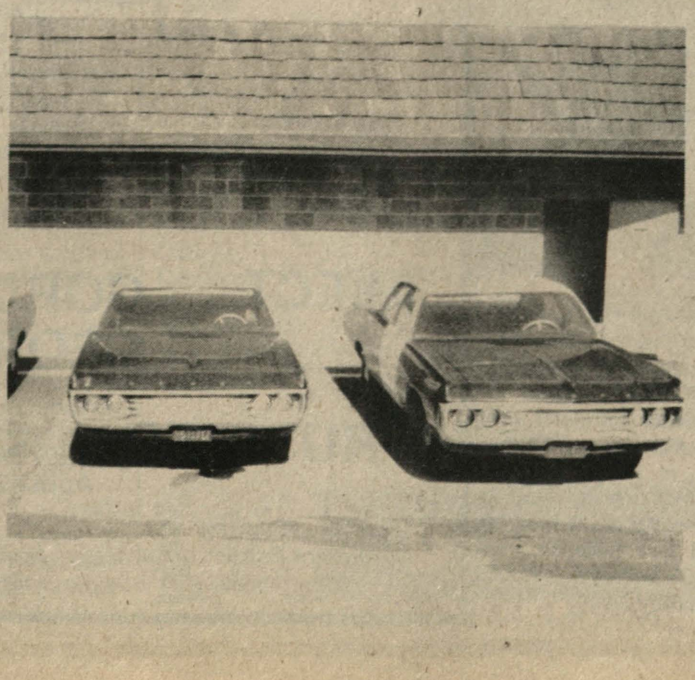
The meeting had been called by the trustees to allow representatives of the Chicano community to present their case for a lettuce boycott in the school district as a sympathy gesture for the United Farm Workers.

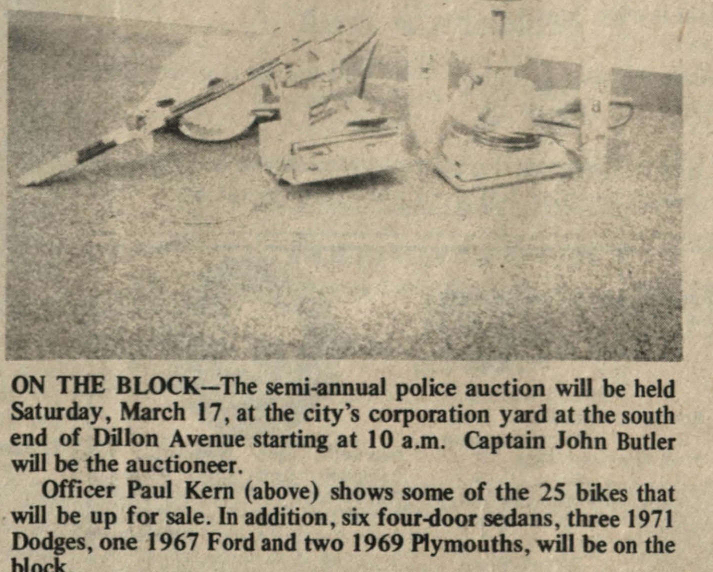
The trustees took no action at the meeting. At a previous meeting, board members had deadlocked over banning lettuce. The tie vote resulted as Trustee Judy Ruscigno abstained in the balloting.

Trustees Eleanor Graham-Armstrong and Bob King had opposed the boycott with Ralph Steinberg and Richard MacQuiddy favoring it.

Emotions ran high at the special meeting when more than 30 members of the Mexican - American community and their sympathizers spoke for the ban.

The meeting also featured the appearance of Steve d'Arrigo, a Salinas grower.





ON THE BLOCK—The semi-annual police auction will be held Saturday, March 17, at the city's corporation yard at the south end of Dillon Avenue starting at 10 a.m. Captain John Butler will be the auctioneer.

Officer Paul Kern (above) shows some of the 25 bikes that will be up for sale. In addition, six four-door sedans, three 1971 Dodges, one 1967 Ford and two 1969 Plymouths, will be on the block.

Other items on sale will include a skill saw, radios, a sander, camping and fishing equipment.

FOR ALL CITIES

County to pay dispatch tab

Officials in all the cities in the county, from the largest (San Jose) to the smallest (Monte Sereno), this week were pondering the revolutionary proposal that effective July 1, the county would underwrite the costs of communication and dispatching services for all the cities.

Supervisor Ralph Mehrkens last Thursday before the mayor's committee meeting, presided over by Mayor Bill Podgorsek of Campbell, reported that the supervisors unanimously had approved a policy specifying that this county would pay all communication costs except for technical services for the cities.

It was indicated that such a service would be financed by the county's general tax or from federal revenue-sharing.

No mention was made of what the cost of such a massive undertaking would be or for how long the "policy" would be in effect or how it would be implemented. Some "horseback" estimates came up with more than $5 million as a cost figure.

Since October Campbell has been operating its own communication system after the county had raised the contract for communications to more than $65,000 per year. The annual figure has doubled each year for the past three years.

The new proposal completely reverses previous policies and would mean that Campbell would get these same services without cost to the city.

Planning Commission rejects 7-11 market on Pollard Road

A proposed zone change that would allow a 7-11 Market at 1315 Pollard Road was rejected Monday night by the Planning Commission on the basis that the project does not lend itself to the area and is not compatible with the general plan.

The application had been submitted by Jerry F. Saia and Frank P. Ducato. Appearing with Saia at the meeting was the architect employed by the convenience market chain who explained that a survey indicated that it was a logical location for the market. They also maintained that the market would act as a suitable "buffer" to the residential area.

However, speaking in opposition to the proposal were Tony Mendivil, 1393 Estrellita and Mrs. Evelyn Lloyd, 1313 Estrellita, residents in the area.

The Commission approved a free-standing sign for Carpe-[illegible] at 42[illegible] [illegible] Hamilton and also the application for Errico and Byrnes for a 12-unit apartment complex at 240 Union Ave.

A zone change from CM:80 to CM:40 was approved for 1520 Dell Ave. on property owned by Frank Spadafore. The new zoning will have the same controlled manufacturing restrictions but for a one-acre instead of a two-acre development.

The Commission continued for two weeks the long-pending application of Gold Seal Realty, at 492 Nottingham, for conversion of a residence into an office.

The application of I. D. Wiens for approval of an office-warehouse at 529 Forman was continued until the March 19 meeting.

The commission also set April 2 for public hearings on the prezoning of property at 2180 S. Bascom in the process of being annexed and for the rezoning of property between West Latimer and Gale, west of the expressway.

City to call for park bids

Bids for the development of the first phase of Rincon Park are scheduled to be called for by the City Council next Monday, March 12, and the contract for furnishings for the engineering wing is also expected to be awarded at the same meeting.

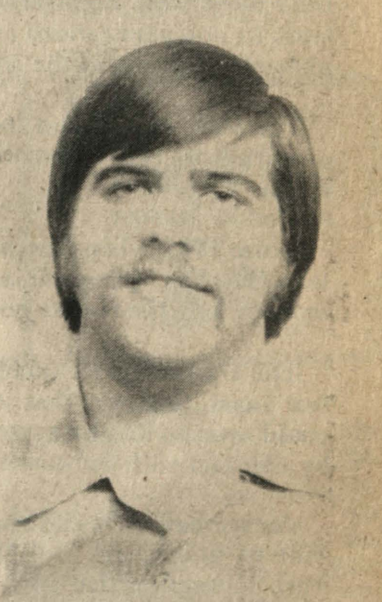
The first phase of Rincon Park, expected to cost approximately $200,000, will include turfing, installation of a sprinkler system, parking areas and other improvements. The project will be financed from bond funds and federal grants.

Furnishings for the engineering wing, now in its last stages of completion in the city hall, will cost $13,998.78, it was determined this week when bids were opened. Low bidder was Campbell Office Machines.

The Council next Monday is also expected to act on the proposal for the installation of glass doors in the city hall to close off the two top floors as a security measure during off-hours. The cost is estimated at $1575.00.

STEVE TEDESCO

West Valley College student runs for high school board



STEVE TEDESCO
–trustee candidate

Steve Tedesco, former student body president at Del Mar High School and currently attending West Valley College, has announced his candidacy for a seat on the Campbell Union High School District board of trustees.

The election is Tuesday, April 17, and there are three vacancies to be filled. Two of the incumbents, Dorothy Y. Gobel and Vern R. Rutlen, are seeking reelection.

The other incumbent, Frank Bonanno, did not file. There are four other candidates besides the incumbents running.

Tedesco is currently planning to enter the field of urban planning. Upon graduation from West Valley in June, he plans to enroll in San Jose State University.

Tedesco, 19, son of Mr. and Mrs. Andrew H. Tedesco, 345 S. Genevieve Lane, has an older sister, Patty, who attends the University of Santa Clara and a younger brother, Ron, now a junior at Del Mar. Tedesco is a native of San Jose, having been born in O'Connor Hospital on October 21, 1953.

"I am not running for the Board just to represent the interests of one group, although my age might give that indication. I believe, that to be an effective member of the Board, I must be able to represent all of the groups concerned, that includes parents, students, teachers, taxpayers and administrators," Tedesco said.

In addition to having served as student body president in fall 1971, Tedesco was student co-chairman of the School District Tax Election, held in the summer of 1970.

"Our school district has done a fine job of educating our young people. I am running as a product of that system. But I feel that we must keep pace with the changing needs of education and I feel that I can provide that type of representation," he adds.

In concentrating on the issues, Tedesco said, "We are fortunate in that there are no crucial issues which divide our district at this time. But we must be on guard to make sure that our system continues to move in this direction.

"I believe that we must work to improve our counseling system. We offer excellent advice in academics, but need to place more emphasis on the personal role of the counselor in dealing with the student," Tedesco maintains.

Editorial

Communication crisis

The county supervisors have unanimously adopted a policy specifying that, effective July 1, the county will pay all costs from the general fund or from federal revenue sharing money for dispatching and answering services for all 15 cities in the county. The only charge will be for technical services.

This is a complete reversal of the county's attitude in the past and could have a far-reaching effect on city county relations.

Details as to cost or how it is proposed to carry out such an ambitious project have not been released. But it has been estimated that the annual cost would have to exceed $5 million.

The announcement of this new county policy was made by Supervisor Ralph Mehrkens at an Inter-City Council meeting held in Campbell. All cities were represented.

Naturally this "bombshell" astounded the representatives of the cities, because of the very magnitude of the idea and what it would entail.

Naturally the city people wanted to know more about this revolutionary county policy, especially as to how long a period of time it would be in effect and how definite is a "policy"...

Does it mean, for example, that a change in personnel on the board could mean a change in the policy?

And there are hundreds of other ramifications that are involved.

Obviously such a proposal would mean that the cities would benefit tremendously from a financial point of view, if the county picks up the tab for their communications.

Nothing has been said yet as to whether a special countywide tax is contemplated in order to get the money to finance such a gigantic operation.

Of course, we are in no position to judge whether the proposal is even workable. The size of such a system that would be necessary sort of boggles us.

It is specified that "all cities" are involved and that means the big ones, San Jose, Santa Clara, Palo Alto, Sunnyvale and Mountain View as well as the other 10 which includes Campbell.

On the surface it would appear that the so-called "911" all-encompassing emergency number situation may have triggered the county's reversal of its previous attitude on communications.

State legislation has directed that the "911" number be in operation statewide by 1982 and that governmental agencies take the necessary steps to implement such a number by 1975. How all this is to be financed is still up in the air.

But in the meantime, the cities must decide whether they will go along with a central "911" or each city have its own "911". Obviously the phone company must know which way to go to prepare cost estimates.

Those cities that have their own communication systems (including Campbell) seem to be leaning toward their own "911". So it is conceivable then that the county proposal was somewhat based on that aspect.

But what is even more intriguing to those of us who have been close observers of the local scene as it relates to communications and dispatching is the complete about-face that the county has taken.

The basic reason that the City of Campbell is now operating its own communication system is the cost factor.

From 1952, when Campbell was incorporated, until last October, Campbell contracted for dispatching services with the county communications system.

The contract price increased so drastically the last few years, however, that it was found that Campbell could operate its own system more economically than by contract with the county.

As we have said editorially many times, it is difficult to understand how that was possible. But the cost figures bear that out.

For example, the county contract for this fiscal year would have been $65,994 and the city is operating its own system by far less than that.

Incidentally, the contract in 1970-71 was only $16,488 but had increased to $31,778 in 1971-72 and it more than doubled in 1972-73 and county officials had indicated it would go up even more the next year, if the city had stayed with the county.

We admit that all this is complicated and there is always the question of how much basic service does a county agency give to city dwellers who pay the same general tax rate as those who live in unincorporated areas? And what is a fair rate for special services that are given to the cities?

Trying to devise a formula that is fair to all is a difficult task.

On the other hand, will it be fair, as this new county policy would indicate will be the case after July 1, for the county to pay ALL the communication charges for all the cities from the general tax?

As we said, we are not experts in this field, and we haven't the slightest idea whether the county's proposal is even feasible.

Conceivably it can be done and maybe it is the way to go.

But the proposed gigantic system has some gigantic problems to solve before it goes into operation.

MORE ABOUT

OUT ON THE LIMB

with George Vierhus

those streets become sort of amateur traffic engineers as we try to figure out how conditions can be improved, especially when we are caught in one of the many bottlenecks.

Admittedly there are some spots that defy any solution.

Even by professional traffic engineers.

-0-

THERE ARE PROBABLY other places in town in which traffic conditions are bad.

But we are exposed to the S. Bascom-Campbell Avenue situation daily, so it stands out.

Of course, there is one advantage to such an exposure.

One learns where to expect the unexpected.

Or where to duck.

Take as a f'instance, those cars making a left turn off Bascom onto Campbell Ave. that intend to enter the PruneYard at the first entrance. At the same time, other cars are turning off Bascom in the right-turn lane.

That often results in some mighty interesting confrontations at the PruneYard entrance.

The car that has made the left turn has to scoot across the lanes in a very short distance and often arrives at the entry-way just as the car in the right lane is going by it.

Then there is another spot down the road apiece with which we are even more familiar.

That is the PruneYard exit that is off-set from Ridgeley.

Drivers of the cars in the exit at the PruneYard, waiting for the Bascom traffic to break in order to make a left turn, often fail to notice the cars waiting on Ridgeley Drive for the same reason.

So when the break comes, there is often an eyeball-to-eyeball situation right in the middle of Bascom.

Or fender-to-fender.

-0-

AT A RECENT CITY Council meeting, two appeals for freeway-oriented signs (one for the PruneYard and the other for Gold Key) were referred to the Planning Commission for recommendation, as called for in the pending amendment to the city's sign ordinance.

Last summer the signs were denied by the Planning Commission under the Council policy that was in effect at that time. The policy is eliminated under the new ordinance.

The appeals have been held in abeyance while the amendment was being hammered out.

Under the new amendment, the Council will have to act on all freeway-oriented sign applications, after the Planning Commission recommendation.

Because of the length of time the appeals had been pending, naturally the councilmen were anxious to move as fast as possible.

They directed Art Kee to put the appeals on the agenda for Monday's meeting of the Planning Commission and, as one councilman added, that would mean the Council would receive it for the next meeting on March 12.

But Art Kee held up his hand on that.

"I can get it on the agenda for next Monday," Art said, "BUT I cannot guarantee what the commissioners will do."

The councilmen wryly admitted that was a reasonable assumption.

-0-

AT A RECENT SCHOOL board meeting of the Campbell Union (elementary) School District, Trustee Eleanor Graham-Armstrong, who is retiring after her term expires in June, made a very pertinent comment concerning the board's agenda for the benefit of the Chicanos in the audience.

The Chicanos had taken up considerable time in vocally urging the trustees to reconsider their action taken at a previous meeting and ban iceberg lettuce in the schools' cafeterias.

It was the second meeting that they had made such a pitch.

In a quiet but firm manner, Mrs. Graham-Armstrong explained that there were other items on the agenda as important to the Chicanos as the lettuce ban issue.

She said that the lettuce issue would be taken up at a special meeting so she hoped they would allow the board to continue with the business at hand.

She hoped, she added, that the lettuce-protestors would stay for the rest of the meeting, when these important matters were considered.

A few did.

-0-

CAMPBELL WAS HOST for the Inter-City Council and Mayor's committee meeting last Thursday at Renzo's. Mayor Bill Podgorsek is the current chairman of the mayor's committee representing all 15 cities in the county and all the cities were represented last Thursday.

Meetings of the Inter-City Council are not always newsworthy events.

But it was different this time.

It will be one long remembered.

What made it so notable was the announcement made by Supervisor Ralph Mehrkens.

Ralph announced to the stunned group, that under a county supervisor's policy approved the previous Tuesday, the county will underwrite the total cost of communication services, except for maintenance services, for all 15 cities, effective July 1.

The announcement and its impact caught the city fathers completely by surprise.

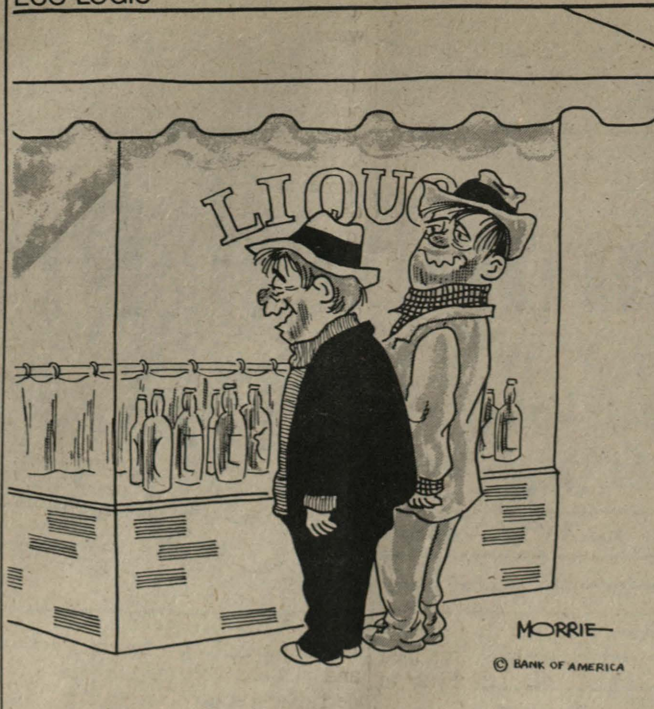
In fact, Mehrkens had to repeat it a couple of times.

Estimates of the cost of such an undertaking range as high as $6 million.

No wonder Ralph was asked to repeat his announcement.

This almost complete reversal of county policy had put the city people almost into a state of shock.

ECO-LOGIC



"I WONDER HOW MANY OF THOSE I HELPED RE-CYCLE?"

WHAT YOU READ IS...

When a local fast food store was robbed at gunpoint last week Campbell police were able to obtain evidence for use in making an arrest from an unlikely source...Playboy magazine.

Before robbing the store the suspect was observed leafing through the magazine.

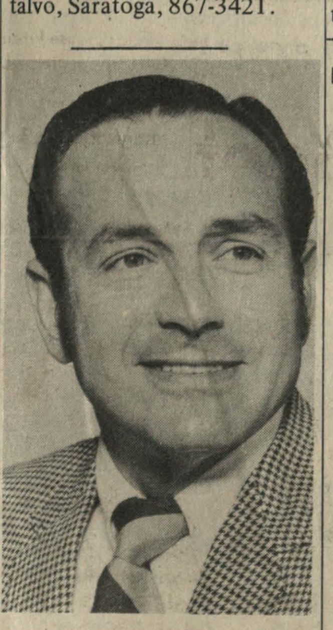
Among evidence collected at the scene...several sharp fingerprints on the edge of one of the girlie pictures.

Final series concert slated

The final concert of Villa Montalvo's Winter Concert Series presents soprano Norma Jean Hodges on Friday, March 16 at 8 p.m. in Montalvo's Carriage House Theater.

Miss Hodges will sing arias from "La Boheme" and "Madame Butterfly", representing the verismo school of opera. The concert will conclude on a light note with the comic "Little Polly Flinders (with apologies to Mozart)" by Diack.

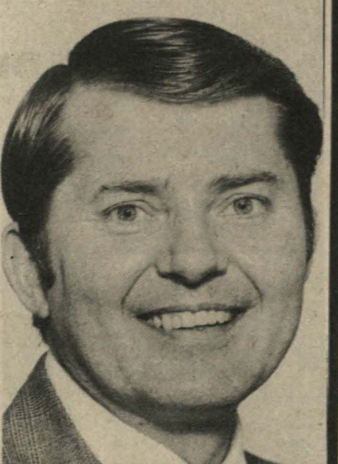
Tickets will be available at the door. Reservations may be made by calling Villa Montalvo, Saratoga, 867-3421.



PHILIP DeMARCO -- West Valley College's dean of occupational education has been elected chairman of the newly formed Health Services Education Council, an areawide group taking in the counties of Monterey, San Benito, San Mateo, Santa Clara and Santa Cruz.

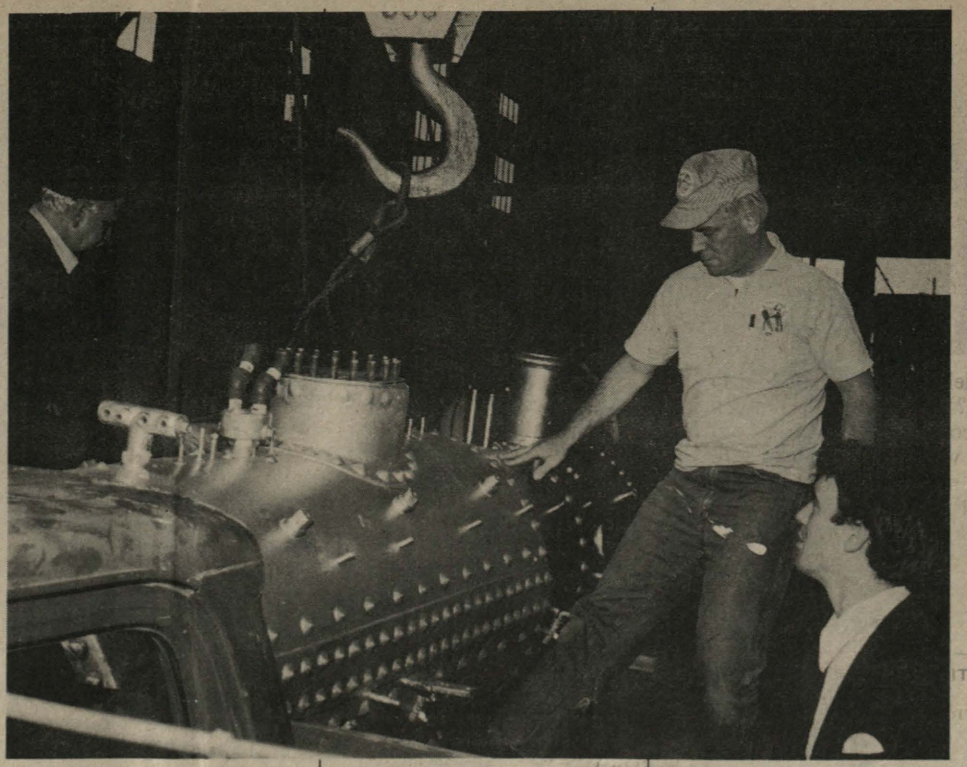
Purpose of the council is to establish firmer relationships between the educational institutions where health manpower is trained.

Members of the board of directors represent a broad spectrum of interests--from community colleges and universities to hospitals, health departments and persons who represent the consumer of health care.

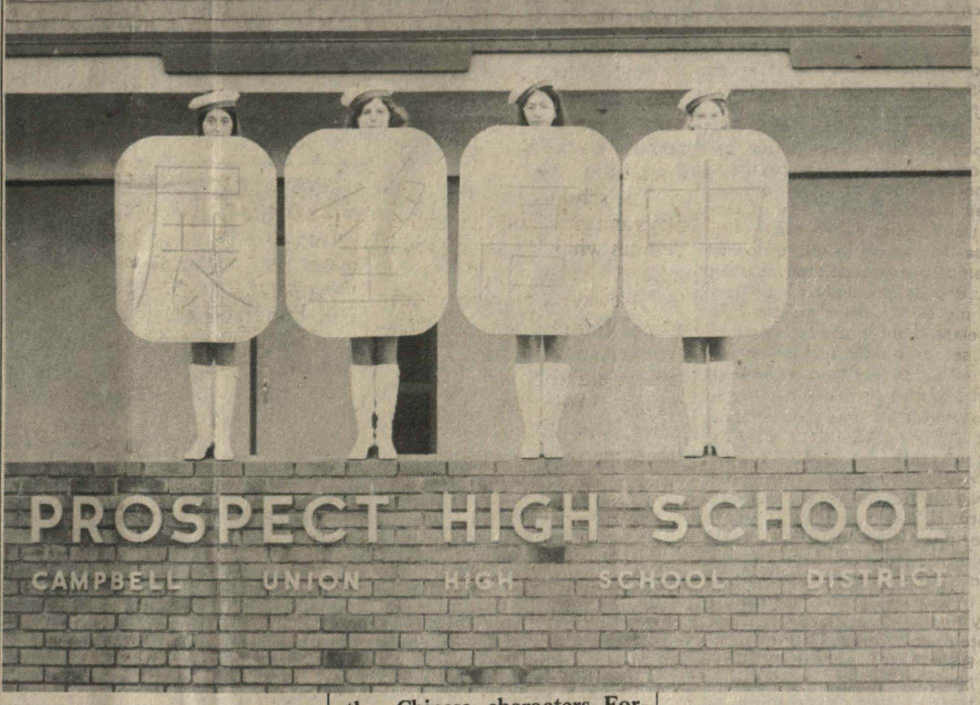


ELECTED---Bill Ott, counselor at West Valley College, has been elected as coordinator for the 1974 convention of the California Personnel and Guidance Association (CPGA).

CPGA is an educational and scientific organization for persons engaged in the field of personnel and guidance. Its current membership totals approximately 2,000.



LOCAL VOLUNTEER---Myron E. Alexander (upper right) Campbell realtor and a member of the Board of Directors of the Billy Jones Railroad, surveys loading of the B.J.R.R. "Two Spot" boiler at the Ocean Shore Iron Works Shop in San Francisco. The boiler, recently refurbished at the oldest shop in the Bay Area, was returned to Los Gatos by truck to the Railroad's roundhouse in Oak Meadow Park. Iron worker William "Bill" Berardy, left, removes crane cables while Project Engineer, John T. Greco, Jr., lower right, supervises the loading operation.



PROSPECT HIGH SCHOOL
CAMPBELL UNION HIGH SCHOOL DISTRICT

IN ANY LANGUAGE---Prospect High School Panther Marching Band traveled to San Francisco to participate in the Chinese New Year Parade. They received a warm reception for the four signs that they carried translated from the Chinese characters--Forward Looking Middle School--meaning Prospect High School. After the parade the band members and chaparones went to Fisherman's Wharf for refreshments and sight-seeing. Pictured holding the Chinese signs are Lancerettes: Laura Rafaty, Kim Young, Margaret Heninger, and Jessie Jones.

MORE ABOUT

Freeway

(Continued from Page 1)

also specified that the sign should only remain until the property between Gold Key and the freeway was developed. A church-sponsored apartment complex, geared for senior citizens, has been proposed for that parcel.

Prior to the discussion on the two sign appeals, a letter from Mrs. Jeanette Watson, chairman of the Civic Improvement Commission and a member of the cultural subcommittee of the city goals committee, was read into the record.

The letter noted that Mrs. Masel Sheehan, cultural committee chairman, and other members of the group, were opposed to any freeway-oriented signs. It was indicated that they expected to make their opposition known at the City Council meeting next Monday when the second reading (final adoption) of the new city ordinance allowing freeway signs is scheduled.

Passing the Buc

by Sandy Mann

Hello Fans (or dare I be so bold?). I hope you noticed my conspicuous absence from last week's Campbell Press, and my subsequent replacement by the obituaries, the editors not wanting to deprive my readers, who are used to that kind of journalistic style. But we all must learn to take the good with the bad, so here I am again.

THE BEST FROM ALL POSSIBLE WORLDS

"If I could take anything from the United States back to Brazil? Uh, I think it would have to be your Cadillac." stated Alexandre, Los Gatos' exchange student from Brazil.

Alexandre, along with many other exchange students, came to Campbell High on Wednesday, Feb. 21, "International Day."

They came from schools all over the area, and from countries all over the world. They came from South America, Europe, Scandinavia, the Orient, and other far-away places.

One of the students whom I spoke with was Haruo Ishikawa, from Japan. From what he said, things were very different in Japan than in America. School is six days a week, and they take 9 or 10 classes a semester.

The schools are segregated boys and girls, and the teacher decides what classes they will take.

"We have a crummy education," Haruo disclosed. "The teachers don't care. It's like they were robots." He then added, "We must be 18 to drive, and 20 to drink. We have many more restrictions on us than American teenagers do," he added sadly.

Another visiting student I spoke with was the handsome young man from Brazil who called himself simply Alexandre. He also seemed to think that the American students had it easy.

"Schools are much easier in the U.S. because you are able to choose the classes you want instead of taking the classes that are best for your education," he noted.

He is enjoying his visit, although he has some regrets about living in America. "I miss our way of life in Brazil. People here--you have many friends, but not many really close friends that you can trust."

Later in private, he seemed tired of being translated to and looked at. Quietly, he summed up the feelings of what seems to be the attitude of many of the exchange students visiting the United States. "The Americans want to be your friend, but they're too afraid of getting involved. I think they're afraid of being hurt."

STRAY CAT LEARNS THE FACTS OF LIFE?

There's a new "student" in Mr. Alleman's biology class in room 11 that is keeping better attendance than many of his classmates. He is "Charles Darwin", a spunky calico stray cat that, according to Mr. Alleman, "...Wandered in first period, and hasn't left since."

Mr. Alleman has set up a veritible penthouse for the cat, including a cat box (that he sometimes forgets to use), and plenty of top quality cat food that was provided by the students.

According to a classmate, he is a model student. He sits quietly, never arguing or talking back. He seems to be particularly interested in "certain facets" of the biology discussions, although Charlie has not, as yet, stated his reasons for his interest.

Charlie is available to any interested party, and further information can be obtained by contacting Mr. Alleman. And as for the cat, I just hope he finds out what he's seeking.

CALENDAR OF EVENTS

Wednesday, March 7: 7:30 p.m. is Girls Sports Gymnastics against Prospect at Leigh.

Thursday, March 8: At 2:30 is Girls Volleyball against Del Mar (boo, hiss), here.

Friday, March 9: At 3:30 is swimming, in which Campbell will drown Leigh, here, and track at Leigh.

Tuesday, March 13: At 3:30 is Varsity Baseball and Tennis-Del Mar, here, and F/S baseball at Del Mar.

Und dot's der Veek!

NOTES

For all of you blind bananas who didn't listen when I said that the FANTASMA concert on Thursday, March 1 was going to be good, and instead watched four hours of prime time soap operas, all I can say is "I told you so".

For an hour and a half four hundred or so people sat with their mouths hung down to their armpits in total delight, as Fantasma performed in a way that left little to equal them.

A solid, lively repertoire of twenty three songs, a finale, and a spectacular encore in response to the audience's screaming demands.

The band, the singers, the dancers, everybody--put out 120%. Keep your eye out for other performance dates in their area. I'm sure we'll be seeing a lot of them.

Congratulations to Campbell's Auxiliary teams!! It seems that when a school obviously has the best in things, it shows in the most obvious ways.

At their latest tournament, the Flag Girls and Pirettes both won first prizes in their divisions. Great, you say, but to these two groups, it has become more a matter of routine to take home everything in sight.

In addition, the F/S cheerleaders took third place, and the Song Girls took fourth.

Something worth mentioning is the great show the Varsity Cheerleaders made at the tournament in their first competition ever, by failing to make the finals by a mere fraction of a point. Hmmm...Is Campbell entering it's Golden Age?

WALKING THE PLANK

Welcome to the Monkey House?

Let's hear if for conformity and mediocrity! Isn't it wonderful how some classes, crammed and jammed as they are, are taught so that the majority of the class will understand enough of the subject to pass? Naturally, anything too difficult in the curriculum must be simplified or eliminated to account for the students of lower ability.

This makes things nice and easy for the teacher, who can have a class that by the end of the year is practically at the exact same level of fuzzy comprehension, where as in the beginning he had all kinds of difficult "non-conformers".

And then there is the lovely kind of class, where, no matter how slow they creep, you are still left chewing your pencil in the dust. Naturally, good 'ole Teach has a schedule to keep, and can't stop to answer just ANYBODY'S question, so you are inevitably doomed to a most demoralizing failure.

This is generally the way our wonderful school operates. Our wonderful school as a general rule believes in Heterosexual Grouping, which means that people who can't count and people who are budding Einsteins are put in the exact same algebra class, as well as countless other classes where the sublime is paired with the ridiculous.

This kind of random grouping is supposed to aid the poorer students, by giving them exposure to better students, and keep them from feeling inferior to the others. It is also designed to keep the better student from getting uptight in a ability grouped class, where it is harder to excell. However, as a student that is both very bad in some things and very good in others, as I am sure many are, I find that this is not the case at all.

It seems to me that our wonderful school's system is producing a group of badly educated, unhappy students that are trained to expect only compromises in quality and mediocrity as a substitute for quality.

For instance, which would be better--to have those that have problems in math in a slower moving classroom where they would not progress as far, but would understand the principles given to them, or keep them in a regular class, where all they can do is get a fuzzy idea of what is going on and pray that they pass? It seems the school favors the latter.

And what of those who excell in, say, English? Is it fair that they should be almost automatically assured of an "A", for things they already know, while a "C" student has worked his hands off to learn and improve? Is this an equal education for both students, or just a "leveling off" of abilities?

If the high school is ever to really function efficiently, I think their present system will have to change, for Campbell can never be a "door to opportunity" until we stop leaving some students far behind in the corridors with no key, while others, though holding the key to unlock that door, come only to find that it is bolted shut from the outside.

LEGAL NOTICE

NOTICE OF TRUSTEE'S SALE
NO. 420

NOTICE IS HEREBY GIVEN:

That on Tuesday, March 20, 1973 at the hour of 1:00 P.M. at the steps of the old County Court House, North First Street entrance, in the city of San Jose, County of Santa Clara, State of California, FIRST CHARTER FINANCIAL CORPORATION, A corporation, as Trustee under a Deed of Trust in the original amount of $8,000.00 executed by EDGAR L. Pro-life program holds meeting

Members of the organization, "United for Life," will join St. Lucy's Parish Council members on Friday, March 9, at Kennelly Hall when they present their "Pro-Life Program."

The public is invited to the meeting which begins at 8 p.m. in the church hall, located at 2350 Winchester Blvd.

"The recent Supreme Court action legalizing abortion," Frank Ybarra, program coordinator, said, "encourages all who believe in human life to explore every possible avenue to counteract the many frightening aspects of such a decision."

Among speakers will be the Rev. Robert Bush of San Jose and Ellen Emma. Mrs. Emma will present slides and a film to the audience Friday evening. According to Ybarra, "The program affirms the belief that the denial or restriction of any person's right to life is a threat to every person's right to life."

Spanish women studies begin

The "History of Women in Spanish America" will be explored in detail in a five-week course beginning Thursday, March 8, at West Valley College.

On five Thursday evenings, March 8 - April 5, from 7-10 p.m., Dr. Dawn Keremitsis will conduct the lecture-discussion course based on original research.

It will cover the Pre-Columbian period and the colonial background of Spanish America, women of Chile, Columbia and Mexico and comparisons involving the political, economic, educational and artistic activities of Spanish women of the different countries and times with those of American women today.

Registration and a small fee are required and may be completed through Community Services, 44 E. Latimer Ave., room L-26, telephone 379-1733, ext. 58.

TO HELP YOU FEEL ACQUAINTED

- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness".
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.

SAFEWAY TROPICAL FOOD FESTIVAL!

Spareribs Waikiki
3½ pounds Safeway spareribs, cut in pieces for serving
Salt and pepper
1 tablespoon cornstarch
¼ cup firmly packed brown sugar
1 (9-oz.) can crushed Lalani pineapple (undrained)
⅓ cup red wine vinegar
½ cup dry or medium Sherry
2 tablespoons soya sauce
Sprinkle spareribs with salt and pepper. Arrange, meaty side up, in a single layer in a shallow baking pan. Mix cornstarch and brown sugar in a saucepan; stir in pineapple, vinegar, wine and soya sauce; stir over medium heat until mixture boils and thickens. Pour sauce over spareribs. Bake, uncovered, in a 350° F. oven for 1¼ hours, basting occasionally. Arrange cooked sweet potatoes attractively around the spareribs on a platter. Serves 4.

TALKING IT OVER --- Mrs. Oliver Buehner discusses plans for the Women's Service Club fashion show with Mrs. Clark Iverson, commentator for the event. "Daisies Won't Tell" is the theme of the show to be held March 21 at the First United Methodist Church.

Daisies bloom in women's club fashion event

"Daisies Won't Tell," is the theme of the annual fund-raising dessert and fashion show, sponsored by the Women's Service Club of Campbell. The show will be held Wednesday, March 21 at 1 p.m. at the First United Methodist Church of Campbell, 1675 Winchester Blvd.

Fashions will be from Louanna's Dress Shop of The PruneYard. Commentator for the affair will be Mrs. Clark Iverson. Background organ music will be played by George Flood. Entertainment for the afternoon will be presented by Mrs. L. B. Herrell, soloist.

SHOW MODELS

Models for the fashions are: Mrs. Harold Strickland, Mrs. Dean Chamberlin, Mrs. George Van Sickle, Mrs. Oliver Buehner, Mrs. Domingo Gonzales, Mrs. William Hoff, Mrs. S. W. Milledge, Mrs. E. S. Frye, Mrs. Herbert Binley, Mrs. David Meyers, Mrs. E. R. Miller, Melissa Milledge, Denise Sloane, Dianne Whitney and Linda Kemp.

CHAIRMEN NAMED

General chairman of the affair is Mrs. George Van Sickle. Co-chairman is Mrs. Clark Iverson. Other chairmen are: Mrs. Dean Chamberlin, publicity; Ruby Howes, tickets; Mrs. Floyd Arnold, hostesses; Mrs. Boyd Fair, serving; Mrs. J. H. Peterson entertainment; Mrs. Herman Rice, decorations; Mrs. Lloyd Sloane, food; Mrs. L. W. Besack, clean-up; Mrs. E. S. Frye, table favors; Mrs. S. W. Milledge, models; and Mrs. H. J. Lietz, programs.

Tickets may be obtained by calling Mrs. E. R. Foreman, 867-0692 or Mrs. LBen Howard, 378-3586.

SERVICE PROJECTS

Mrs. Floyd Arnold is presiding officer of the Women's Service Club which renders service both to church and to the community. A scholarship is provided each year to a qualified senior girl of the Campbell Union High School District. Aid and service is given to the Progressive Senior Citizen's Center.

Child care will be provided.

Jazz ensemble ties for first

Gary Kenyon, Campbell Union High School District Music Director and band instructor at Westmont High School, announced today that the Westmont Jazz ensemble tied for first place in a county-wide jazz festival for junior and senior high jazz bands with Palo Alto.

This event was held at De Anza College under the direction of Herb Patnoe, on Saturday, February 17 and was sponsored by the Music Merchants Association.

Members of the Westmont Jazz band ensemble Include: Kip Carpenter, Bill Christiansen, Jeff Humphries, Des Caravella, Ken Masuda, Bob Meitzner, Bill Murphy, Barbara Olson, Steve Russell,

Andy Scott, Ric Stephens, Scott Sayles, Bob Stimpson, Brent Walters, Jon Wilson, Rob Wilson, Bob Zimmerman, and Jeff Picard.

BURN CENTER

San Francisco's Bothin Burn Center at St. Francis Memorial Hospital is one of the nation's most advanced treatment units for burn victims.

FIRST AGAIN --- Campbell High School's Flag Girls captured a first place honor again in competition at Ignacio High School. The girls had won a similar victory at Washington High School and have taken a first in every competition they have entered this year. Top row are Din De La Pena, Sue Spehar, Dorothy Clapes, Lori Sexton, Cherl Payne and Rene Honda. Bottom row are Rena Stein, Rosann Lazzarino, Aileen Utley, and Pam Murphy. Dorothy Clapes is head flag girl.

RECEIVE AWARD --- Song girls from Campbell High School were among the winning teams who received a placing at a recent high school spirit competition. Left to right are Martha Hanks, Wendy Groot, Judy Yeager (head), Lori Collver, Yvette Valencia and Pam Wong.

WE DID IT!--Some of the members of the Campbell High School Frosh-Soph Cheerleading team who placed third in competition at Ygnacio High School recently were. left to right, Leslie Peckham, Stacy Jones, Viola Robinson, Mavis Lee and Denise Triplee.

TOP PLACING---Members of the Campbell High School Pirettes placed first in competition with 20 other schools who sent cheerleaders, drum majors, flag girls and other precision units to a spirit day at Ignacio High School recently. Top row, left to right, are Lori Yeager, Gari Leitz, Laura Lobrovich, Debbie Cargill, Toni Wetterstrom, Penny Scott, Denise Bender and Marge Hernandez. Bottom row, left to right, Vicki Gardner, Cynthia McGuire, Patsy Monagle, Nan O'Connor, Cathy Huddleson and Daphne Hoover.

Easter church plans

ST. LUCY'S CHURCH

St. Lucy's Church, 2350 Winchester Blvd., will have a pre-Easter program which includes the following topics: Wednesday, March 14, at 8 p.m., "Christian Morality," Rev. Paul Surlis; Wednesday, March 21, at 8 p.m., "Man's Option with Respect to God," Rev. Surlis; Wednesday, March 28, at 8 p.m. "Penance-Sacrament of Reconciliation," Rev. Chirico; Thursday, April 5, at 8 p.m. "Penance-A Time for Celebration", Rev. Loughran.

FIRST BAPTIST CHURCH

The First Baptist Church, 400 Llewellyn Ave., Campbell, will present a series of pre-Easter messages given by their pastor, Rev. L. Vernon Sisco, which began March 4, and will continue until Easter. Theme of the messages will be "Gold from Golgotha."

Sunday sermon subjects are, March 11, "Salvation from Golgotha"; March 18, "Affections from Golgotha"; March 25, "Anguish from Golgotha"; April 1, "Suffering from Golgotha"; April 8, "Victory from Golgotha", and April 15, "Contentment from Golgotha."

On Easter Sunday, April 22, the church will offer a message on the resurrection and a revival will begin Sunday night with Dr. Paul Turner of the Golden Gate Seminary as evangelist.

CONGREGATIONAL CHURCH

Lenten worship events for the Congregational Church of Campbell, 400 W. Campbell Ave., will include sermon topics as follows: March 11, "'C' is for Christ;" March 18, "'R' is for Responsible"; March 25, "'O' is for Others"; April 1, "'S' is for Self"; April 8, "A Man of Sorrows."

During Holy Week, Maundy Thursday and Good Friday community services will also be held.

Youth art sought by Campbell public library

The Campbell Public Library is currently accepting children's art work to be displayed during March-Youth Art Month. All kids from preschool to high school are invited to participate.

Arts and crafts of all types are acceptable, from finger painting to macrame. The library has a good collection of juvenile art and craft books available to suggest ideas.

Individuals and class groups are encouraged to submit their art work to the library, located at 349 E. Campbell Avenue.

Questions may be directed to the Children's Librarian, 378-8122.

Drug abuse course set at Markham School

Parent-child relationships and learning to cope with people's problems relating to drug abuse is emphasis of four six-week courses in Drug Abuse Prevention beginning in San Jose on Tuesday, March 13 at Markham, 2105 Cottle Ave., and at Bret Harte, 7050 Drive.

These free classes sponsored by the Metropolitan Adult Education Program are held once a week from 7:30 to 9:30 p.m.

Advanced registrations will be taken between 6 and 10 p.m. Monday through Thursday at the school office where the class is held.

Basil Huffman and Dave Turnbull, Drug Abuse Coordinators for San Jose Unified, compiled the material for these classes.

SPEAKING OF PICTURES--- Mrs. Frances Kersh, left, gave a talk on abstract art at the meeting of the Campbell Woman's Club recently, aided by Dennis Zenke, of the San Jose City Library audio-visual staff. Following the meeting, Mrs. Kersh and Zenke admired art work made by the women's club members, including the unusual abstract handiwork pictured.

Concert slated at Westmont

Flag Girls, Satin Dolls, a 56 voice choir, the Concert Band and Westmont's Jazz Ensemble will be featured in the ninth annual Westmont High School Pops Concert set for Thursday, Friday and Saturday, March 8, 9 and 10, in the school cafeteria.

Concert time is 8 p.m. for all performances and admission is $1 for adults and 50 cents for children, 12 and under. The price includes a beverage and dessert.

Gary K. Kenyon, music supervisor for the Campbell Union High School District, will direct the concert. Chairwoman for the event is Darlene Clay, of the high school's PTA association.

AF MECHANIC

Airman Jack S. Farnsworth, son of Mrs. Golda E. Farnsworth of Campbell, has graduated at Sheppard AFB, Texas, from the U. S. Air Force aircraft mechanic course conducted by the Air Training Command.

CAMP FIRE GIRLS

by Ellie Rumbaugh

The two Fourth Grade Camp Fire Groups from Lietz School in Campbell have joined forces to provide activities and materials for the San Jose Blind Center.

The girls made string pictures that were later made into raised plastic prints for the blind. They made a set depicting the Camp Fire Law and a set of the Seven Crafts of Camp Fire. They are also collecting Betty Crocker coupons to purchase a Braille Machine for the Center.

If anyone would like to donate coupons you can contact the group through the leader at 265-2445. To better understand the scope of their project the girls took a tour of the Blind Center.

Members of the groups are: ShuMa Ma Lua Camp Fire Girls, Leader, Mrs. Sandy Guenther; girls, Mandy Guenther, Susan Goldman, Jane Bonsall, Tammy Buckingham, Kathy Corwin, Judy de la Rosa, Helen Whitling, and Tina Murphy. Da kon ya Pah hlee oh Wee Camp Fire Girls, Leader, Mrs. Kay Cook, girls, Carol Cook, Karen Bryan, Laurie Sexton, Beth Maxwell, Sheri Oates, Heather McNeilly, Deanna Shelly, and Kathie Coutts.

OUR TOWN

by JoAnn Zoller

We've been saying it all along, but now that the fashion show season has begun we have proof positive (weather aside) that spring is definitely on the way.

Clubs heard from thus far planning fashion shows include the Y.W.C.A. on March 14, XI NU ALPHA and DELTA EPSILON ALPHA chapters of Beta Sigma Phi on March 10, COUNTRY WOMAN'S CLUB of Campbell on March 19, WOMEN'S SERVICE CLUB on March 21 and the MOTHERS GUILD of St. Lucy's Church on April 19.

By far the most humorous show being planned is that of the THETA RO Girls Assembly of Odd Fellows-Rebekah lodges who are planning women's fashions shown by male models at their show tomorrow!

Another interesting show in the works is at AMBER DRIVE School, 3500 Amber Drive, San Jose, on March 13 at 7:30 p.m. Handsewn garments will be featured and models will include students from the school. Also slated for the evening is a mini-bazaar...

MORE recently on the local scene...

The "FANTASMA" group, according to JEANETTE WATSON, was just "fantastic" in their premiere concert performance at Campbell High School last Thursday night. Jeanette said the show was "very professionally done" and it was "such a compliment to young people." Approximately 500 people attended the performance.

"Fantasma" has been invited to perform at Pepperdine College in Malibu this spring and an invitation to Disneyland is being considered...

Alumni of the 1968 graduating class of CAMPBELL HIGH SCHOOL are planning a five year class reunion July 28 at the Los Gatos Elks Lodge. Former students are asked to contact CATHY HUGHES BISHOP, 378-8152, or PATTI STRAW ABRAHAM, 257-6844....

LOCAL world travelers include...

BLACKY and BONNIE VEACH, members of the Campbell Moose Lodge, who have just returned from a two and a half week trip to the Far East where they visited such points of interest as Hong Kong, Singapore and Sydney, Australia. The Veach's won the trip last September as a door prize at the Mainliner Club, a United Airlines employee run organization. Bonnie said she particularly enjoyed a tour of the Singapore Islands that she and Blacky took on a Chinese junk...

STUART and GAIL CHANDLER of McBain Avenue have just returned from a one week Caribbean cruise on the R.H.M.S. Amerikanis. Gail said they stopped at seven islands altogether, but she said her favorite was Martinique, a lovely French island...

NEW library plans....

Formation of a volunteer corps to serve the Campbell library will be explored by MRS. BEVERLY BOOTH of the library on Tuesday, March 13, at 1:30 p.m. in the Council Chambers of the Campbell City Hall.

There has been an interest expressed by some of the members of a task force from the City Goals Committee who would like to start a "friends of the library" group in order to offer more and varied services to library patrons.

Interested persons are welcome to attend the meeting.

Cabana club luncheon told

A three-course luncheon is being planned by the Cloverdale Cabana Club on Saturday, March 24, at the Campbell Congregational Church at 12 noon.

Serving at the luncheon will be the Ladies Luncheon League of the church, located at 400 W. Campbell Avenue.

Reservations may be made with Shirley Hoening, 378-9253 or Jeanne Bendinelli, 378-2785. Deadline for reservations is Saturday March 17.

No tickets will be sold at the door.

This is the way we make dessert. . . make dessert . . .

by Erlene Cleveland

Mrs. Billy (Grace) Wingfield opened her home recently to five Girl Scouts who conducted a demonstration kitchen, using Girl Scout cookies as the base ingredient for a dessert recipe. (The recipe appears elsewhere on this page.)

The kitchen was set up with stations for the different duties in assembling the ingredients and each girl took her place, while awaiting instructions.

Mrs. Wingfield explained the recipe and work was begun.

When all the stirring and beating was done, and the scraping and pouring over, the girls slipped the mix into the refrigerator to set.

As they gathered around the table, some of the girls discussed Girl Scout cookie sales, orders for which are now being taken in Santa Clara County.

All of the girls report that comments are very much in favor of the "ordering" system of selling Girl Scout cookies, as opposed to the older door-to-door method. One girl told how her mother freezes Girl Scout cookies for lunchbox surprises later in the year.

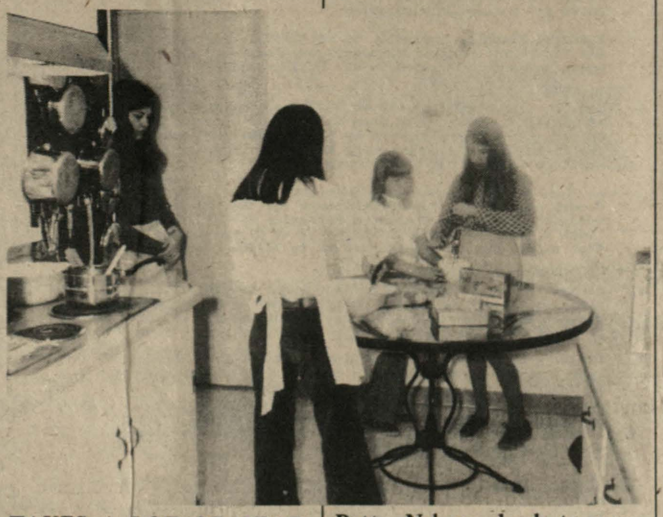
Each girl earns 10 cents for her troop treasury with every box of cookies sold, and the Girl Scout Council benefits also. The funds are used to defray cost of running Girl Scout houses, adult training and council-sponsored program activities.

The recipe for the dessert which the girls made was passed on to Mrs. Wingfield from her mother many years ago, and are now being reproduced for use by her daughter's Girl Scout troop. As each girl from troop 169 delivers her cookies, she will offer a copy of the recipes.

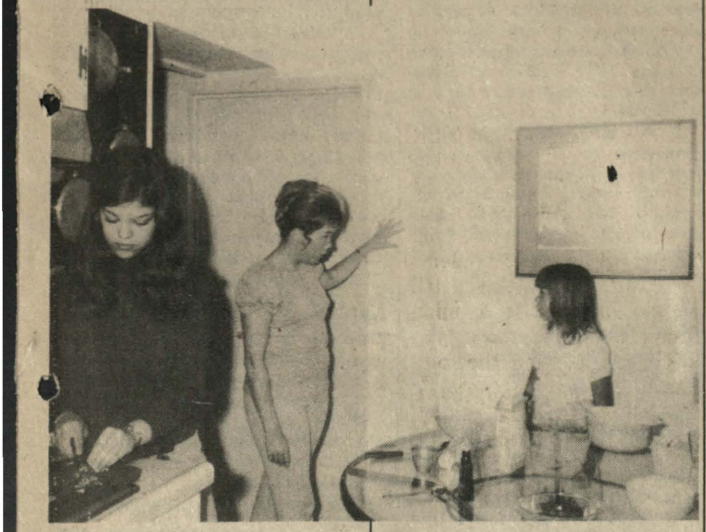
ENGLISH TOFFEE SQUARES

1 cup crumbs from plain Girl Scout cookies
3 eggs, separated
1 cup chopped nuts
1 cup powdered sugar
¼ pound butter or oleo
1½ squares baking chocolate (melted)
½ teaspoon vanilla

Mix crumbs with nuts and use half to cover bottom of a buttered 9x9 pan. Cream butter and sugar – add beaten egg yolks, melted chocolate and vanilla – fold in beat egg whites. Pour over crumb-nut mixture in pan and cover with remaining crumb-nut mixture. Refrigerate over night. Cut in squares and serve with whipped cream.



TAKES A LOT OF BEATING---Lynne Helms and Sharon Crawford take their turns whipping the egg whites stiff. Patty Nakano, back to camera, completes stirring the egg yolks in the bowl, as Barbara Hansen looks on.



GETTING UNDER WAY---Barbara Hansen, left, senior scout, chops nuts while Mrs. Billy Wingfield points to menu posted on wall and explains to Lynne Helms, Brownie scout, her part in the cooking.

STIRRING AND STIRRING--Lynne Helms, Barbara Hansen and Sharon Crawford, cadette scout, who have completed their part in the cooking, give advice to Patty Nakano, junior scout, who is now stirring her egg yolks into batter, and Lori Wingfield, junior scout, as she whips the egg whites, at a cooking party held by the troop.

CRUMBLING---Barbara Hansen and Lori Wingfield crumble Girl Scout Scot Tea cookies to use in "English Toffee Squares."

Club's luncheon and show will benefit music students

"Spring Do" is the theme of the fashion show planned for Monday, March 19, by the Country Woman's Club of Campbell.

The Congregational Church of Campbell will be the setting for the event, with luncheon at 12 noon.

Fashions will be from Leone Van Arsdale Fashions while Mrs. Courtland Watson will commentate.

Models include Mrs. Dean Chamberlin, Mrs. H. H. Combs, Mrs. L. W. Critchlow, Mrs. Glenn DuBois, Mrs. Ann Furtado, Mrs. Charles Gerber, Mrs. J. Don Howland, Mrs. C. Arthur Johnson, Mrs. L. L. Jones, Mrs. Anthony Jurras, Mrs. Roy Miehe, Mrs. W. R. Morgan, Mrs. Eldred Nelson, Mrs. C. W. Shockley, Mrs. M. A. Vaughan and Mrs. Peter Yerkovich.

Music for the show will be provided by Larry Pepper and Mrs. Anthony Abate.

Mrs. Everett W. Grell, general chairman, has announced that proceeds from the lunch will be used for music scholarships for students in the Campbell Union High School District. Tickets are available from Mrs. Dean Chamberlin, 378-4627, and Mrs. Peter Yerkovich, 378-3664.

CAMPBELL O.E.S.

Campbell Chapter No. 553, O.E.S. will meet for their Appointive Party on Friday, March 9, 1973, in the IOOF Hall, 276 E. Campbell Ave., with Shirley Ford, general chairman.

Worthy Matron Topsy Thompson and Worthy Patron Ray Thompson, will preside.

Campbell holds buffet dinner

The annual potluck dinner for students of Campbell Elementary School and their families will be held this Friday evening, March 9, in the school cafeteria.

The dime-a-dip buffet dinner will be served from 5:30 to 7:30 p.m.

The Campbell school Girls' Glee Club will present a musical program for the diners at 6:30 p.m.

Ron Clancey, vice-president of the Campbell Home and School Club is in charge of arrangements.

Charlene is state finalist

Marnie Marr, department head of Westmont High School's homemaking department, announced today that Charlene Vernon, a senior, and winner of Westmont's Betty Crocker Homemaker of Tomorrow award, has received notice that she is one of 25 state finalists for a $500.00 to $1500.00 scholarship.

This is the first time a Westmont student has ever made the state finals, Mrs. Marr said.

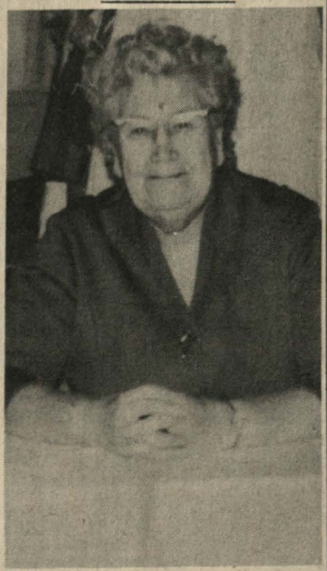
If Charlene wins from California her test score will be used for national competition which could result in a further scholarship worth some $5,000.00 to $10,000.00. Good luck, Charlene.

Spring bouquet at Y.W.C.A.

There will be "A Spring Bouquet of Fashions," Wednesday, March 14, when the San Jose YWCA presents a luncheon and fashion show in the San Jose State University Student Union.

Reservations are being taken at the Metropolitan YW, phone 292-1075, or the Cambrian Center, 269-7534. Babysitting is available.

Chairman is Susie Wilson, who decided to run for San Jose City Council after starting fashion show plans, and who recruited Bonnie Gallaway as co-chairman. Commentator will be Lu Ryden, fashion coordinator for the PruneYard, whose shops are providing the fashions. They are Chocolate Soup, Patrick James (for men), Addie Raymond, Little Daisy and Fashion Conspiracy.



HAPPY BIRTHDAY --- Irma Reese, director of the West Valley Progressive Senior Center, was all smiles when her friends at the center honored her with a surprise party on her 73rd birthday, Sunday.

Lodge men model for Theta Ro girls

Thursday evening, March 8, at 7:30 p.m. Theta Ro Girls Assembly of Odd Fellows-Rebekah lodges will present a fashion show featuring the latest creations for spring. The show will be held at Odd Fellows Hall on Race Street in San Jose.

Models for the entertainment will be men and youths from the various local Odd Fellows lodges and for a laugh, some will model women's clothing!

Proceeds from the event will go to the Odd Fellows retirement home infirmary in Saratoga.

'Eyes of March' is show theme

"The Eyes of March" is the theme for the March 10 fashion show planned by the Xi Nu Alpha and Delta Epsilon Alpha chapters of Beta Sigma Phi.

The show, to be held at 7:30 p.m. at the Bridal Center, 2020 S. Bascom Ave., will feature fashions from the Louanna Shop in the PruneYard and from Dorothy Young's Bridal Gowns in the Bridal Center. Mrs. Jack Zimmerman, owner of Louanna Shops, will be the commentator.

Models for the occasion are Mrs. Doc (Shirley) Davis, Mrs. David (Albena) Jones, Mrs. Richard (Betty) Hoover, Mrs. Jess (Sally) Soto of Xi Nu Alpha chapter and Mrs. Steve (Kathy) Lopaz, Mrs. Stewart (Marge) Baker, Mrs. John (Linda) Serpa, and Mrs. Terry (Lois) Fenninger of Delta Epsilon Alpha chapter.

Refreshments will be served and door prizes given.

Proceeds from the show are for the benefit of Cystic Fibrosis Fund of Beta Sigma Phi.

Donation is $3.50 and tickets may be obtained at the door or from members of the two chapters.

Gardeners will hear cactus talk

Robert Pulver of Saratoga, well-known authoritarian on succulents and cactuses, will speak and show slides at the Wednesday, March 14, meeting of the Campbell Garden Club. The meeting will be held at the Campbell Congregational Church, 400 W. Campbell Ave. at 10:30 a.m.

At a workshop held recently at the home of Mrs. Lou Marotti on Monica Lane, members of the Campbell Garden Club made favors of terrarium gardens and fresh succulents for members of the State Board of California Garden Clubs which met on February 7 at the Hyatt House.

Members of the Campbell Garden Club attending the luncheon at the Hyatt House included Mrs. Joseph Aversente, Mrs. Edmund Birr, Mrs. John Coughlin and Mrs. Lou Marotti.

Guests are always welcome at the garden club meetings. Please contact Mrs. Stefan Fursh at 248-4833 for further information.

FATHER-SON DINNER PLANNED

The annual Father-Son dinner sponsored by the United Methodist Men will be held March 12 at 6:30 p.m. at the First United Methodist Church, 1675 Winchester Blvd.

An evening of baseball is planned with the help of the San Jose Bees. March 7 is the last day for sign-ups for the event.

Door prizes and many surprises are planned for the evening.

STUDENTS HONORED

A tea honoring all straight "A" students and their parents will be held in the Westmont High School Library, on Thursday, March 8 at 10 a.m.

Speaker for this occasion will be Dr. Nicholas Montesano, superintendent of the Campbell Union High School District.

Tots receive vision tests from Campbell JayCees

Area pre-schoolers will receive free vision screening on Sunday, March 11 at Rosemary School, 4018 Hamilton Ave. Sponsored by the Campbell JayCees and the California Optometric Association, the screening will be held from 10 a.m. to 2 p.m.

The screenings are conducted by volunteer vision specialists from the society, directed by Dr. Robert Madden.

Designed to detect visual handicaps in children three to six years of age before they enter school, the screening uses the Modified Clinical Technique (MCT). Children are checked for such defects as amblyopia ("lazy eye"), faulty near and distant vision, color blindness and other factors which can affect the child's behavior or health, according to Dr. Madden.

Carrol Minium is the local chairman for the JayCees.

There is no charge for the screening, Minium announced.

FIRST BAPTIST CHURCH

Three newly-elected deacons were ordained at a recent morning worship service at the First Baptist Church.

Richard Christmas, Earl Harvick and Roy Mathews were honored following the evening worship service when a fellowship was held in their honor.

POTTERY BEGINS

Primitive man fashioned aluminum-bearing clays into pottery in Northern Iraq as early as 5300 B.C.

FASHION SHOW PREPARATIONS---Selecting outfits for the Xi Nu Alpha and Delta Epsilon Alpha fashion show March 10 are, left to right, Mrs. Steve (Kathy) Lopez, president, Mrs. Niel (Dorothy) Duggan, president; Mrs. Jess (Sally) Soto and (seated) Mrs. Marge Baker.

NDGW honors member for fifty years service

For the first time in the history of the Native Daughters of the Golden West, an active member has received a 50 year pin.

The honor was bestowed upon Jewel A. Wyman of Parlor 81 who was presented a pin for her 50 years of service to the organization by past Grand President Jewel McSweeney of San Francisco.

Past Grand Presidents Marie Landini of Parlor 81, Evelyn I. Carlson of Delores Parlor, San Francisco, and Irene Bandanza of San Francisco formed an honor guard for the presentation.

The festivities took place at the Bridal Center in Campbell with 75 members and guests attending, among them were Mae Giese, sister of Mrs. Wyman, and Reynold Giese, Mrs. Wyman's nephew, and his wife, Ruby.

Red and gold net hearts and red candles graced the tables for the potluck dinner that was served.

Mrs. Wyman's favorite flowers, red roses, decorated the piano as the group sang her favorite song, "Red Roses for a Blue Lady."

Chairman for the evening was Agnes Bring, first vice-president. Co-chairman was Thelma Tanno, president of Parlor 81.

FIFTY YEARS --- Jewel A. Wyman of Parlor 81, Native Daughters of the Golden West receives her fifty year pin from Past Grand President Jewel McSweeney of San Francisco. Looking on is Marie Landini, Grand Vice President of the state, who is also a member of Parlor 81.

Church women explore local social problems

Members of the Women's Society of Christian Service of the First United Methodist Church, 1675 Winchester Blvd., will hold a meeting at the church on Thursday, March 8, at 10 a.m. to discuss local problems of justice and injustice.

Each circle of the Women's Society has been assigned a problem. The subjects to be discussed are senior citizens, housing, youth, welfare, student parking and women's rights.

The purpose of the meeting is to make women more aware of problems in their community.

Refreshments will be served. For information on child care, contact Mrs. May David, 378-2835.

CAMBRIAN HOMEMAKERS

"Sewing for Spring" will be the feature of the meeting of the Cambrian Homemakers at the Youth Center, 2675 S. Bascom Ave., San Jose, Wednesday, March 14, 10-2 p.m.

Bag lunch. Dessert and coffee will be served.

The public is invited.

S.D. No. 5
Project: Stevens Crk. Blvd./U.E.
Parcel No. 2331-1 EX

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Seven Thousand Eight Hundred and no/100 Dollars ($7,800.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Co., 300 South First Street, San Jose, escrow number 156255. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Seven Hundred Eighty and no/100 Dollars ($780.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bids shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether or record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the

MORE

property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on May 9, 1973 at the hour of 10:00 o'clock a.m. at the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., May 9, 1973, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on Feb. 27, 1973, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Calvo, Cortese, McCorquodale
NOES: Supervisors: None
ABSENT: Supervisors: None

NOTICE OF BULK TRANSFER

NOTICE IS GIVEN to the creditors of MILES S. TULLY and CHARLEEN L. TULLY, doing business as CAMPBELL OFFICE MACHINES AND EQUIPMENT COMPANY, transferors, whose business address is 1656 West Campbell Avenue, Campbell, CA, and 275 E. Campbell Avenue, Campbell, County of Santa Clara, State of California, that a bulk transfer is about to be made to CAMPBELL OFFICE MACHINES AND FURNITURE, INC., a California corporation, transferee, whose business address is in care of BERNS AND STEINBERG, attorneys at law, 1230 The Alameda, San Jose, County of Santa Clara, CA 95126.

The property to be transferred is located at 1656 West Campbell Avenue, Campbell and 275 E. Campbell Avenue, Campbell, California.

Said property is described in general as all stock in trade, fixtures, equipment, office machines and office supplies and good will of that business known as CAMPBELL OFFICE MACHINES AND EQUIPMENT COMPANY, located at 1565 West Campbell Avenue, and 275 E. Campbell Avenue, Campbell, County of Santa Clara, State of California.

The bulk transfer will be consummated on or after the 15th day of March, 1973, at the office of BERNS AND STEINBERG, 1230 The Alameda, San Jose, CA 95126.

So far as known to the transferee, all business names and addresses used by transferors for the three years last past, are the same as above.

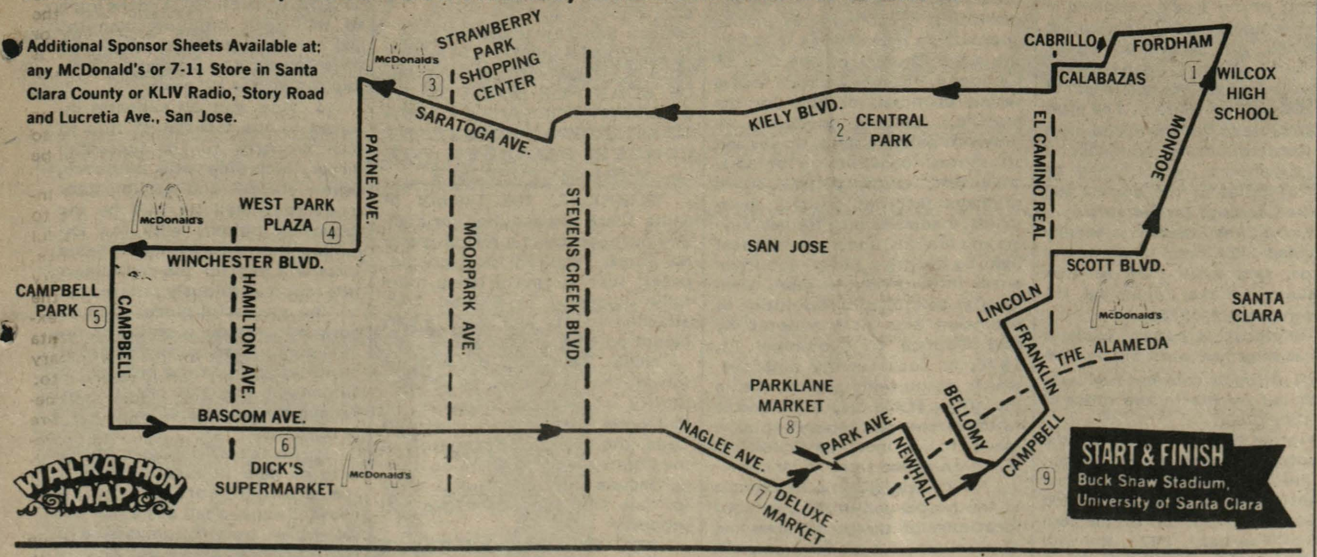
ALL AGES WELCOME, BRING YOUR FRIENDS, WALK ONE MILE OR TWENTY!



Walk-A-Thon slated for this Sunday

The Santa Clara County Walk-A-Thon against birth defects, which last year drew 10,000 participants of all ages and raised $131,000, may do twice as well Sunday, March 11, if the weather is good--but the event will go on no matter what the weather, with each mile counting for five in case of rain, according to Dr. William J. Jefferds, volunteer chairman.

If the sun is out, the Walk-A-Thon route will cover 20 miles, beginning and ending at Buck Shaw Stadium, University of Santa Clara. It goes through the cities of Santa Clara, Campbell and San Jose. Representatives of police departments in those three cities are working on the steering committee to facilitate the handling of anticipated crowds.

Sponsor sheets for prospective participants are still available at 7-11 Stores, McDonald's Hamburgers, KLIV, and The National Foundation-March of Dimes, 1171 Lincoln Ave., San Jose.

Persons who wish to sponsor Xan Scully, 7, of San Jose, or Dan Fischer, 7, of Campbell, who are being pushed in wheelchairs, may do so through The National Foundation-March of Dimes. Both are spina bifida victims who are serving as NF-MoD goodwill ambassadors this year. Research into causes of spina bifida is one of the projects which receives financing through the March of Dimes, sponsor of the Walk-A-Thon.

"Poop Out Buses"--vehicles supplied by the California Army National Guard---will be available to pick up those who decide not to cover the entire Walk-A-Thon route. Members of the Santa Clara Valley VHF Relay Society will patrol the route with two-way radios, looking for those who need rides, and members of the Rutrunner Dune Buggy Club will provide clean-up along the route and at Buck Shaw Stadium.

For blisters and sore feet, members of the Central Coast Podiatric Society will be in vans loaned by Hertz and stationed in strategic locations along the route; the mobile podiatry clinic from the California School of Podiatric Medicine will be at the stadium.

One couple, Dare and Leroy Biasotti, noticed last year that several young people were walking with babies on their backs; as a result, they are setting up a "Baby Service Station" in Santa Clara's Central Park. Facilities will be available for warming bottles, as well as juice, cookies, and disposable diapers for the youngsters. The "Baby Service Station" will be the couple's camping trailer and a borrowed tent.

For adults, McDonald's Restaurants is providing more than 20,000 orange drinks for the walkers, and sandwiches for the checkpoint crew. The Navy Recruiting staff in San Jose and the Navy League have arranged for donation of 20,000 servings of soft drink, and will be in charge of a refreshment stop at checkpoint 6..

Los Unicos, a Latin-rock band from East San Jose's Overfelt High, will play at Buck Shaw Stadium in the afternoon. Also on the entertaining side will be antics of Clown Ronald McDonald and "Crazy George" Henderson, one of the Walk-A-Thon leaders.

ALL SET --- Fred Deitz of Campbell (right) has committed his pro fishing shop, Bass Fishing North, to $1 a mile in Sunday's Walk-A-Thon against birth defects for each of the other three in this photograph---John Chaffetz of Saratoga, sports director for KNTV, Danny Fischer, 7, of Campbell, and Xan Scully, 7, of West San Jose. The two youngsters, victims of spina bifida, are goodwill ambassadors for The National Foundation-March of Dimes and will have "pushers" from the local chapter of the national voluntary health agency.

SPECIAL VISITOR --- Campbell Parents' Nursery School's children were thrilled recently by a visit with an Indian. George Woodard, of the American Indian Council appeared in full ceremonial dress. He brought along taped Indian chants and taught children and mothers alike simple Indian dances.

After the dancing Mr. Woodard answered questions and spoke of local Indian activities. A great time was had by all--well almost all...One youngster was a little frightened during the festivites but after Mr. Woodard changed into street clothes the little boy remarked "I like him when he isn't an Indian!!"

Saturday set for auditions

Additional auditions for the upcoming Gilbert and Sullivan Society of San Jose production "HMS Pinafore" will be held this Saturday, March 10 from 7:30 to 9 at 222 S. Second Street in San Jose. An accompanist will be provided. Singers are encouraged to sing the selection of their choice.

The Gilbert and Sullivan Society of San Jose is a recently formed organization dedicated to the production of quality G&S and Lyric Operas.

Still needed for casting are: tenors, basses, and sopranos, to perform as both leading characters and chorus.

College warehouse site is still under study

Location of West Valley College's warehouse-maintenance building on the Saratoga campus is still in doubt. Thursday evening trustees deferred action on the item until their March 15 meeting, pending further reports from the administrative staff.

Residents of the Short Hill Court area, next to the campus, object to placement of the facility directly across from their homes.

An alternate site to either of the sites being proposed by the administration was presented by Walter Muir, resident of the area. Trustees asked the district's architects to come up with cost estimates of Muir's proposal, along with cost figures for both sites A and B which are proposed by the district.

In other action Thursday evening the board:

Adopted a resolution commending the medical staff of the Community Hospital, Los Gatos-Saratoga for its recent $1,000 donation to the college's nursing scholarship fund.

Authorized a number of new courses for the coming year, including a number of drama, ceramics and jewelry courses (since the college's new humanities and fine arts building will open at Saratoga this fall), changed the law enforcement program to the administration of justice program and altered some of the five core courses for the program, and moved the human services discipline to the social sciences division.

Approved three non-graded, non-credit classes for the Adult Evening College including "Clearing Roadblocks to Learning", a teacher aide workshop and "Developing Environmental Impact Statements."

VIET NAME

The modern name of "Vietnam" was not adopted until the early 19th century.

Chico choir appears at Methodist church

The A Cappella Choir of California State University, Chico, will appear in concert at the First United Methodist Church on Sunday, March 18 at 7:30 p.m.

Appearing with the choir will be the Chamber Singers, a select madrigal group chosen from the A Cappella members. Both choral organizations were organized and are directed by Ralph W. Wadsworth, Professor of Music at CSUC.

The A Cappella Choir is widely known throughout the western United States through its many appearances in concert and for music educator conventions.

The membership of the two choirs is chosen by university-wide audition from those able to meet the rigorous vocal and musical standards of the organizations. They are the most advanced of the five choral organizations of the University.

For the evening performance, their repertoire will include numbers from every period of music. Contemporary music including works by Bartok, Kodaly, Stravinsky and Fetler will be performed.

CHICO STATE A CAPPELLA CHOIR

Raindrops keep falling on the field

Recent rains have made a shambles out of more than individuals' outdoor plans, according to Doug Brooner, Campbell Little League publicity chairman.

Rain has cancelled out some of the scheduled league try-outs and the organization announced rescheduling last Monday.

Eleven year olds who were not able to try out last Sunday should return at 10 a.m. Saturday, March 10, according to Brooner.

Ten year olds, cancelled out last Saturday, can return this Saturday, March 10 at 11 a.m.

Twelve year olds unable to try out last Saturday afternoon, are rescheduled for this Saturday, March 10 at 2 p.m.

All play is at the Little League Field at Rosemary School.

Weather permitting, according to Brooner, major league managers will draft their teams on Sunday morning and all boys will report to the L.L. Field for their assignments that afternoon.

All managerial positions have been filled in the major and minor leagues, while a few openings remain in the farm league.

Work parties have been scheduled for field maintenance this weekend and any L.L. father is urged to help. For more information about the work parties contact Neil Williams or Les Canady at the fieldhouse, 378-9881, Thursday evening, March 8 between 8 and 10 p.m.

Archaeology group seeks new members

A newly formed group, devoted to preserving archaeological sites throughout the county, will meet Thursday, March 8 at the Triton Museum in San Jose. Meeting time is 7:30 p.m.

The Santa Clara County Archaeology Society plan to accomplish their goal by engaging in a number of educational and political activities, according to a group spokesman.

The society has supported the establishment of an archaeology field class and museum science course at West Valley College. In addition, they plan to offer new members informal instruction in archaeological field techniques. A series of lectures on general archaeological activities in and out of the county are presented at monthly meetings.

Society officers include: Judy Bergthold, president; Mary Eastman, vice-president; Rita Olson, secretary; Marcia Croal, treasurer; and Austen Warburton, founding patron.

Individuals interested in learning more about the organization may attend the meeting, contact membership chairwoman Judy Newton at 867-1322, or write Society for Santa Clara County Archaeology, 15082 Lynn Ave., Los Gatos.

Obituaries

ROLF P. WITTMANN

Services were held here last Thursday for Rolf Peter Wittmann, active Campbell man, who died suddenly February 24.

Wittmann, 43, was an electrical engineer at National Semiconductor Corp. of Santa Clara.

At the time of his death Wittmann was a coach for the West Valley Rovers, a soccer club for youths 10-12, and served as vice-president of the club's Board of Directors. He was formerly active with the Campbell Little League.

A native of Karlsruhe, Germany, the Campbell man emigrated to this country 14 years ago, shortly after receiving his engineering degree from a technical college in Munich.

Surviving are his wife, Edie Wittmann; three sons, Peter Wittmann, a student at the University of California at San Jose; Alfred Wittmann of Germany, and Marcus, a student at Bucknall School, and his mother, Mrs. Emma Wittmann of Germany.

Services were held at the Darling-Fischer Memorial Chapel. Interment was in Los Gatos Memorial Park.

GORDON J. HENDERSON

Gordon James Henderson, a charter member of the Campbell Eastern Star, No. 554, died on Sunday, March 4.

Services were held Tuesday for Henderson, 72, at the Darling-Fischer Campbell Memorial Chapel.

He leaves his wife, Hazel Henderson of San Jose; two sisters, Charlotte Sawyer of New Hampshire and Mary Gale of Oakland; and several nieces and nephews. He was a native of Vermont.

JAMES WARREN ELDER

Funeral services were held in San Jose last Saturday for James Warren Elder, 60, who died March 1, after a long illness.

Elder, a retired general manager for Dura Style Homes, had lived in the county for 16 years. When the Rancho del Prado subdivision was built here, the developer named one of the streets after Elder.

A native of Turlock, Elder, 260 Morrene Drive, was a graduate of the University of California, Berkeley, and a World War II veteran of the U. S. Navy.

Oak Hill Mortuary of Campbell handled the arrangements. Interment was in Oak Hill Memorial Park.

Surviving are his wife, Mrs. James Elder of Campbell; his daughter, Mrs. Jane Unger of Campbell; his father, Dr. Avon R. Elder of Petaluma; a sister, Mrs. Ellen Pierce of Saratoga; a son-in-law, Richard Unger of Campbell, and four grandchildren.

DEBORAH D. BYRNE

Services were held last Friday for Deborah D. Byrne, 21, who died in a San Jose hospital on February 27, following a long illness.

A native and lifetime resident of the area, she was a sophomore at the University of California, Santa Barbara, and also worked with her father at Cal Coast Beauty Supply.

Deborah graduated from San Jose High School.

Surviving are her parents, Mr. and Mrs. Gordon Byrne, 268 Calado Ave.; and a sister, Jerre L. Byrne of San Jose.

Services were held at the Darling - Fischer Memorial Chapel here. Burial was in Los Gatos Memorial Park.

St. Patrick's art show set

"Art in Action," is the theme of the second annual St. Patrick's Day Art Show, by members of the Creative Artists Group.

San Tomas Shopping Center is sponsoring the show which will run from Friday, March 16 through Sunday, March 18.

Metal sculpture, color photography, leather craft and pottery are among exhibits

ORDINANCE NO. 883

BEING AN ORDINANCE OF THE CITY OF CAMPBELL AMENDING THE ZONING MAP OF THE CITY OF CAMPBELL, CALIFORNIA, BY CHANGING ZONE FROM R-2-S TO P-D ON PROPERTY OF JOYCE H. S. KEALOHA LOCATED AT 1849 POLLARD ROAD, CAMPBELL, CALIFORNIA.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the Zoning Map of the City of Campbell together with amendments thereto, is hereby changed and amended. Said amendments being outlined on the map attached hereto entitled "EXHIBIT A."

SECTION TWO: That the above-mentioned amendment is approved subject to the following conditions:

1. The applicant is to obtain site and architectural approval of the plans and elevations of the proposed development.
2. That an environmental impact report accompanying the site and architectural approval application, including a report and recommendation of a qualified acoustical engineer on how to maintain reasonable sound levels within the buildings and from open dog runs.
3. Dedication to plan line right-of-way on Pollard Road (45 feet north of center line).
4. Construction of street improvements on Pollard Road.
5. Storm drainage area fee based on $765.00 per acre.
6. That the first phase of the development, which provides for seven runs, be constructed and in operation a minimum of two years before approval or consideration is given to additional runs.

PASSED AND ADOPTED this 26th day of February, 1973, by the following roll call vote:

AYES: Councilmen: Chamberlin, Hammer, Paul, Podgorsek

LEGAL NOTICE

NOTICE OF IMPROVEMENT DELL AVENUE—DIVISION STREET LOCAL IMPROVEMENT DISTRICT NO. 17

NOTICE IS HEREBY GIVEN that on the 11th day of September, 1972, the City Council of the City of Campbell, California, adopted its Resolution of Intention No. 3373, as subsequently amended, wherein it did declare that in its opinion the public interest, convenience and necessity required, and that it was the intention of said Council to order the following acquisitions and improvements in and for said City, to wit:

(a) The acquisition of land necessary for the widening of the easterly one-half of Dell Avenue to a uniform width of 33 feet from a point 300 feet, more or less, southwesterly of Hacienda Road, running thence southwesterly 750 feet, more or less; for the widening of Dell Avenue to a uniform width of 66 feet from a point 1050 feet, more or less, southwesterly of Hacienda Road to Division Street and the improvement thereof and of Division Street from Dell Avenue to Winchester Boulevard by clearing, grubbing, grading and removal of existing trees, shrubs and structures and the construction therein of base, pavement, curbs, gutters, underground electrical and telephone services, surface and subsurface storm drainage facilities, where required, sanitary sewer mains, manholes with manhole frames and covers and laterals, and underground serviced street lighting facilities together with all appurtenances to any of above.

(b) The acquisition of capacity rights and a right of service and use in water mains, valves, tees, hydrants and services in Dell Avenue from a point 300 feet, more or less, southwesterly of Hacienda Road to Division Street and in Division Street from Dell Avenue to Winchester Boulevard.

(c) The acquisition of all lands and easements and the performing of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

In cases where there is any disparity in level or size between the improvements proposed to be made herein and private property and where it is more economical to eliminate such disparity by work on said private property than by adjustment of the work on public property, it is hereby determined that it is in the public interest and more economical to do such work on private property to eliminate such disparity. In such cases, said work on private property shall, with the written consent of the owner of said property, be done and the actual cost thereof may be added to the proposed assessment of the lot on which said work is to be done.

Notice is hereby given that to the extent shown in the Engineer's Report it is the intention of the legislative body to enter into agreement with public agencies or public utilities, or both, relating to ownership, management and control of improvements subject to their jurisdiction.

Said contemplated acquisitions and improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the City Clerk, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of said project is $277,197.62, of which the City will contribute the estimated amount of $12,796.21, leaving an estimated amount of $264,401.41 to be assessed.

Notice is hereby given that it is the intention of the Council to consider adoption of an ordinance authorizing contributions by the City from any sources of revenue not otherwise prohibited by law, or any specified amount, portion or percentage of such revenues, for the purpose of acquisition or construction of improvements, the acquisition of interest in real property and the payment of expenses incidental thereto for the use and benefit of the assessment district, and to consider authorizing application of such revenues as a credit upon the assessment.

Notice is hereby given that except as hereafter otherwise provided, serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

Notice is further given that should there by publicly owned operative property within the assessment district, certificates or serial bonds to represent the unpaid assessments against publicly owned property in use in the performance of a public function and bear interest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder pursuant to Section 10206 of the Streets and Highways Code of the State of California and in the manner provided in Section 6467 or in Chapter 4.5, Part 5, Division 4 (commencing with Section 6468) of said Code, the Improvement Act of 1911, the last installment of which certificates or bonds shall mature not to exceed fourteen (14) years from the second day of June beginning with the fiscal year next following the date of the bonds.

The description of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention, as amended, are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work, and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the Director of Public Works pursuant to said Act and said Resolution of Intention, as amended, adopted pursuant thereto, did on the 26th day of February, 1973, file with the City Clerk of said City his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Council did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention, as amended.

NOTICE IS FURTHER GIVEN that Monday, the 9th day of April, 1973, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Council, Council Chambers, City Hall, Campbell, California, are the time and place appointed and fixed by said Council when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, as amended, and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the City Clerk at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention, as amended, and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the City Clerk.

Dated: February 26, 1973.

NOTICE INVITING SEALED PROPOSALS OR BIDS DELL AVENUE — DIVISION STREET LOCAL IMPROVEMENT DISTRICT NO. 17

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on February 26, 1973 by the City Council of the City of Campbell, said Council invites sealed proposals or bids for the grading, clearing, grubbing, removal of existing trees, shrubs and structures, construction of base, pavement, curbs, gutters, storm drainage facilities, sanitary sewer mains, manholes with frames, covers and laterals, underground street lighting facilities, and all appurtenances in said City, as more particularly described in Resolution of Intention No. 3373 adopted by said Council on September 11, 1972, as subsequently amended, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on February 26, 1973.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Director of Public Works submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on November 13, 1972, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which is on file in the office of the City Clerk and available to any interested party upon request and is made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by cash, cashier's or certified check payable to the order of the City Clerk, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said Clerk signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. The amount so posted shall be forfeited to said City in Case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

The City of Campbell, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color or national origin.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P.M. of the 3rd day of April, 1973, City Hall, Campbell, California, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Council at its meeting at 8:00 o'clock P.M. on April 9, 1973.

A copy of the plans and specifications may be obtained from the office of the City Engineer, 161 Grant Street, Campbell, California 95008, upon deposit therefor of $15.00 per set, which will be refunded if said plans and specifications are returned within ten days. Checks shall be made payable to the "City of Campbell" and may be mailed to the City Engineer at said address.

Dated: February 26, 1973.

LEGAL NOTICE

S.D. No. 4
Project: San Tomas Exp.
Parcel No.: 2834-12 EX B

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Eleven Thousand Dollars ($11,000.00)

2. The County of Santa Clara has purchased a preliminary title report from Title Insurance and Trust Co., 110 West Taylor Street, San Jose, escrow number 321223. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of One Thousand One Hundred Dollars ($1,100.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bids shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or
(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on April 11, 1973 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., April 11, 1973, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on Feb. 13, 1973, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Calvo, Cortese, Mc Corquodale
NOES: Supervisors: None
ABSENT: Supervisors: None
R. H. Mehrkens
Chairman, Board of Supervisors
ATTEST: Donald M. Rains,
Clerk, Board of Supervisors
APPROVED AS TO FORM:
Gerald J. Thompson
Ass./Deputy County Counsel

EXHIBIT A

All of Parcel A as shown on that Record of Survey "of the lands of the County of Santa Clara in excess of land required for roadway purposes," filed for record in the office of the County Recorder of the County of Santa Clara, State of California in Book 245 of Maps at page 18.

Saving, excepting and reserving all that parcel of land described in the Grant Deed to the City of Campbell and recorded in the office of the County Recorder of the County of Santa Clara, State of California in Book 8767 of Official Records at page 78.

There shall be no abutters' rights of access to the above Parcel A in and to the adjacent San Tomas Expressway over and across the Westerly line of Parcel A hereby conveyed in the above description.

LEGAL NOTICE

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Clerk of the Board of Supervisors of the County of Santa Clara, State of California, in the office of the Clerk, County Administration Building, Room 524, 70 West Hedding Street, San Jose, California 95110, up to 2:00 p.m. March 8, 1973 for TRANSIT DISTRICT SERVICE YARD LIGHTING, SAN JOSE, CALIFORNIA in the County of Santa Clara, State of California, in accordance with plans and specifications on file for the work in the Office of the Clerk of the Board of Supervisors.

The bids will be opened by the Clerk of the Board of Supervisors at the time and place above stated, and a report of the names of all bidders and the amount of each bid will be made by the Clerk to the Board of Supervisors at the next regular or special meeting of the Board following the date of opening of the bids.

Workmen employed in the work must be paid at the rates at least equal to the prevailing wage rates last adopted by the Board of Supervisors of the County of Santa Clara, which rates are filed in the office of the Clerk of the Board of Supervisors, incorporated herein by reference, and copies of which are available to any interested parties on request.

The County of Santa Clara is an equal opportunity employer and all contractors on County projects are required to follow a policy of affirmative action in regard to the requirements of Executive Order 11246, as well as the regulations of the Fair Employment Practice Commission of the State of California.

A payment bond is required to be filed and approved by the Board of Supervisors before entering upon the performance of the work.

Each bid must be accompanied by cash, a certified or cashier's check or a bidder's bond in the sum of not less than 10% of the total aggregate of the bid, and the checks or bond shall be made payable to the order of the County of Santa Clara.

All bids must be addressed to the Chairman of the Board of Supervisors of the County of Santa Clara, and shall bear the title or name of the work to be constructed.

The Board of Supervisors reserves the right to reject any and all bids or to waive any errors or discrepancies.

Time limit for the completion of the work is 120 calendar days. Liquidated damages shall be assessed in the amouht of $100 for each calendar day the work remains incomplete beyond the time fixed above for completion.

Plans and specifications may be secured from the Department of Public Works, 20 West Hedding Street, San Jose, California 95110, upon the payment of $5.00 per set as a deposit. If these documents are returned in good condition within ten (10) days after the date set for the opening of the bids, the full amount of the deposit will be returned. Credit will be given for specifications returned with the bid submitted to the Clerk of the Board of Supervisors.

By order of the Board of Supervisors of the County of Santa Clara, State of California, on February 20, 1973.

Volunteer leaders attend annual convention

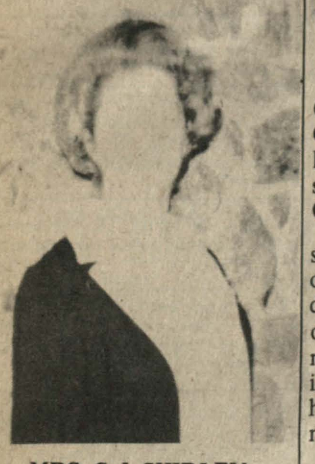
OFF TO THE AIRPORT--Good Samaritan Hospital auxiliary leaders on their way to state convention in Southern California. From left, Mrs. C. J. Shirley, of Campbell, auxiliary, president; Mrs. Paul Gebhardt and Mrs. Charles Dorr, both of Los Gatos.

Delegates from California hospital auxiliaries met recently at Disneyland Hotel to exchange experiences and new ideas at the annual convention for volunteer leaders, sponsored by the California Hospital Association.

The Auxiliary of Good Samaritan Hospital of Santa Clara Valley was represented at the three-day event by Mrs. C. J. Shirley, president, of Campbell; Mrs. Paul Gebhardt, first vice-president; Mrs. G. Albert Baroni, membership committee chairman; and Mrs. Charles Dorr, member, Board of Trustees of The Good Samaritan Hospital, and former auxiliary president; all of Los Gatos; and Mrs. Edward Shirhall, orientation chairman, of Mountain View.

Programs of the convention were highlighted by speeches and addresses given by officials of the CHA and included special sessions for directors of volunteer services, panel discussions on all facets of organization and management, and symposiums dealing with various aspects of hospital, auxiliary, and community relationships.

Public service films by the National Multiple Sclerosis Society of New York such as one narrated by Jimmy Stewart, the American Heart Association fully explaining the extent and nature of the nation's number one killer; and by the American Education Films & Directions Unlimited dealing with social diseases, were also viewed by the delegates.



MRS. C. J. SHIRLEY
President

Grange News

Orchard City Grange 333 met Tuesday, February 27 at their hall, 109 North First Street.

Worthy Master James Arnold conferred degrees on six new candidates for membership in Orchard City Grange 333. Those initiated are: Emma Barham, Thelma and Clark Fitch, Joseph Agostino, Olween Weeth and Paul Brasch.

Charles Carter was absent on account of illness, Ted Bohn was lecturer protem.

Zelia Rhea and Myrtle Rhinehart prepared the new candidates for initiation.

Visitors present were deputy John Buck and his wife Ruby, Mt. Hamilton Grange; Brother and sister Brasch, Sr., Los Gatos Grange; as well as other Los Gatos members and Levi Richman, Gilroy Grange.

Reports on members ill found Carl Coe has been transferred from the hospital to Willow Glen Convalescent Hospital, Birdie Singleton will soon be home after surgery at Los Gatos Community Hospital, Minnie Blend is recovering from the flu.

Announcements of coming events were heard. CWA chairman, Barbara Carter announced a card party to be held at the Grange Hall, 109 North First Street, Friday, March 30 at 8 p.m. Donation 75-cents...open to the public.

Sunday, March 25, Orchard City Grange serves breakfast from 9 a.m. to 2 p.m., open to the public, 109 North First Street.

After the meeting members enjoyed refreshments in the dining area prepared by chairman Ruth Smith, Richard Smith, Mamie and John Benevento, Edna and Del Bossio, Robert Lear and Buehlah Slacks.

Members enjoyed a social hour.

STUDENT--Ricky Miller of Miller Photography, 2150 Winchester Blvd. was a student recently at the 1973 session of the West Coast School of Professional Photography at Brooks Institute Riviera Campus in Santa Barbara, Cal. The session, the 20th for the school, provides specialized and intensive training in a variety of subjects.

Westmont seniors picked for achievement awards

Four seniors at Westmont High School have been selected to represent their school in the 1973 Bank of America Achievement Awards Program, Principal George Buonocore announced today.

Selected by a committee made up of faculty members, the top winners will receive plaques plus the opportunity to compete for cash awards ranging up to $1,000 in the final event.

The plaque winners and the study fields in which they were chosen are:

Louise Johnson, science and mathematics; Sandra Martin, liberal arts; Mary Burkhouse, fine arts; Joann Koch, vocational arts.

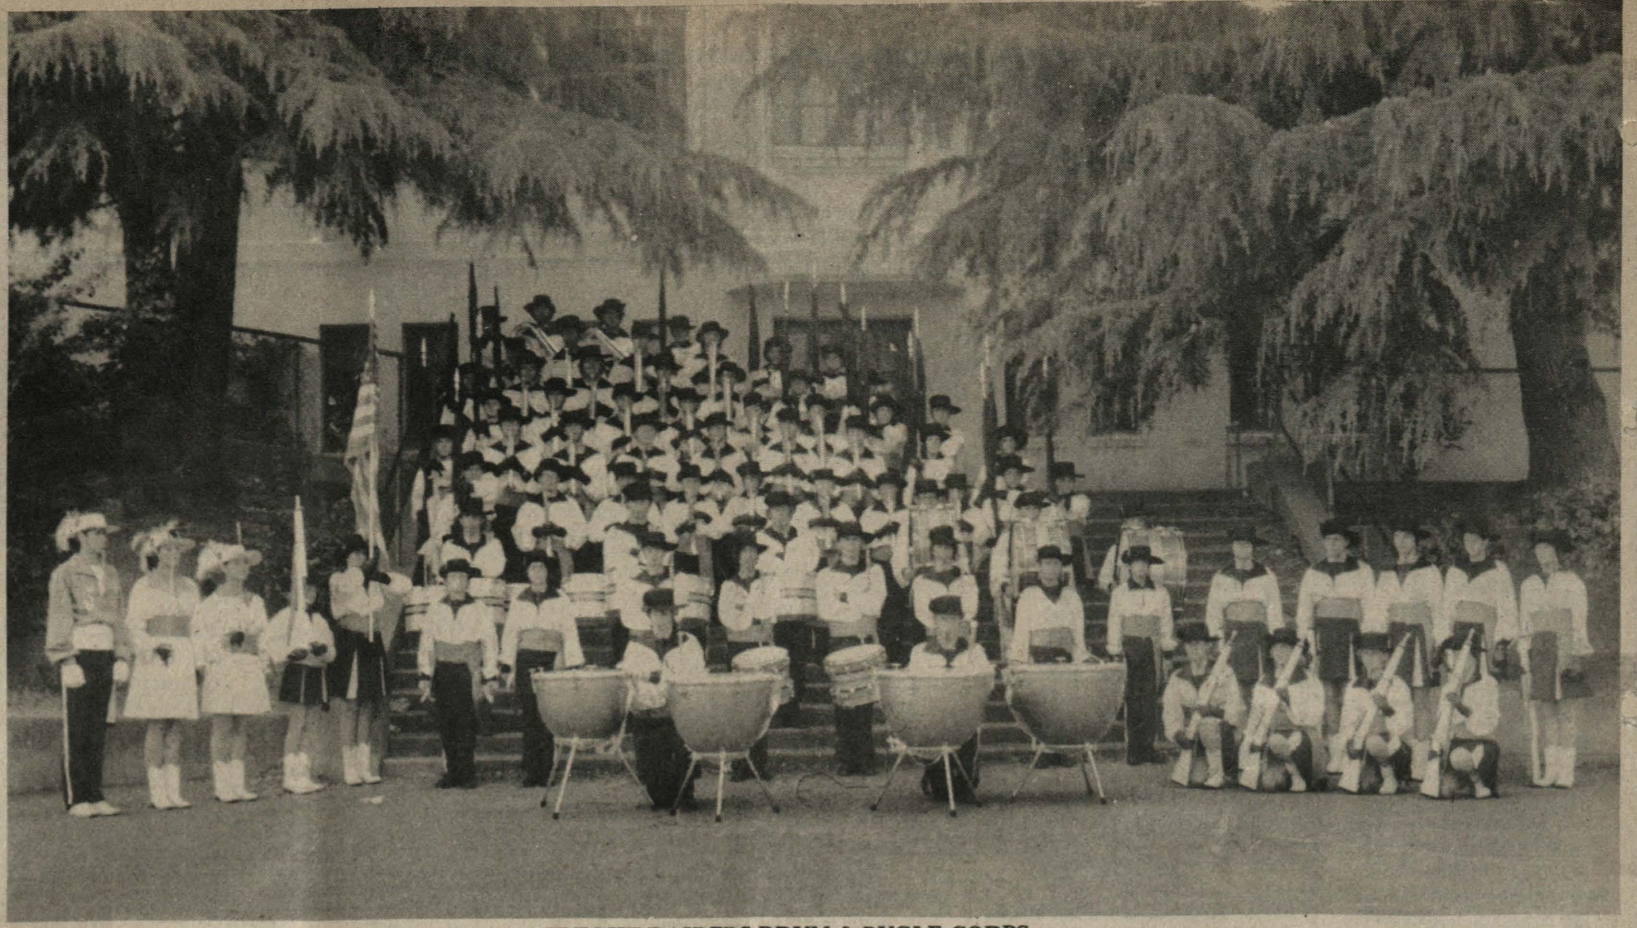
Twelve other students were cited for their outstanding performance in specific fields of study and will receive certificates of merit bound in leather portfolios. They are:

Pam Falke, Lynn Ellis, Elaine Marchesi, Elizabeth Burkhouse, Liz Buckland, Debbie Gehman, Cheryl Cimburek, Gary Massingill, Dennis Cuvaco, Cathy Caster, Moira Leyva, and John Thomas.

After a screening committee carefully reviews the records of the plaque winners, the students chosen for the zone events will be notified sometime this month. Zone competition for local students will be held Tuesday, March 20 in San Jose.

The top four winners in the zone final will then advance to the highest level of the annual competition--the area finals--where they will compete for cash awards ranging from $250 to $1,000.

Second, third and fourth place winners in each study field at the zone event will receive $100, $75, $50 awards, respectively.



KNIGHT RAIDERS DRUM & BUGLE CORPS

Campbell youth marches in Drum & Bugle Corps

Campbell youngsters are among members of an active marching unit appearing this Saturday in San Jose.

The Knight Raiders Drum & Bugle Corps was formed in 1969. It is comprised of girls and boys from the ages of 12 and 21 years old from all over the Santa Clara Valley.

There are two seasons for the Corps. Field season is generally in spring and summer involving all the members.

Competitive guard season starts in early September through March and consists only of girls in the flag and rifle line.

During field season a complete show is performed consisting of six parts; off-the-line, color presentation, into concert, concert, out of concert and exit.

Last year the corps toured the Northwest and Canada. They competed along the way with numerous corps.

The Knight Raiders were part of the Klondike Days activities at the Calgary Stampede.

This year under the directorship of Bob Russell, the corps will undertake a trip to the East and compete with top corps from Massachusetts all the way to Wisconsin.

The instructors are Dan Vanetta, George Smith, horns, and Rick Dobbs, drums.

In addition to the main corps, there is a junior corps for girls and boys, ages eight through 11. They are given musical instruction as well as drill instruction.

New members are always welcome.

Prior to their trip to the East in August, the Knight Raiders can be seen at many local functions here in this area. There will be a color guard show at Silver Creek High School in San Jose, Saturday, March 10, at 7:30 p.m.

The public is invited to attend.

Cambrian school trustees name steering committee

Cambrian District trustees, at their last meeting, notified the membership of the interim steering committee whose function it is to set up the process for the community to determine the educational goals. The committee meets this Thursday, March 8, at Bohnett School at 7:30 p.m.

Serving on the district-wide committee are the Home and School Club presidents: Mrs. Wally Asquith of Price School, Bob Ciraulo of Cambrian School, Mrs. Harry Dallas of Metzler, Mrs. Barbara Hewett of Sartorette, Mrs. Darrel Jensen of Bohnett, Mr. Bob Matson of Farnham, Mrs. Al Newman of Bagby, Mrs. Maxine Robson of Steindorf, Mrs. Cathy Thornton of Houge, and Mrs. Bruce Van Huystee of Fammatre.

Representing the teachers are Ruie Adams of Metzler, John Addington of Fammatre, Deanna Brazda of Bohnett, Charlotte Claude of Houge, Pat Clute of Sartorette, Jacqueline Johnson of Farnham, Erma Milburn of Bagby, Emily Mozzone of Steindorf, Leo O'Neill of Cambrian and Ruth Stephens of Price.

Phil Barone, Bob Kemppe and Sal Colletto represent the administrators and the classified service's representatives are Shirley Goodwin and Takao Ozawa.

Golf tourney entries sought by Red Cross

Campbell golfers are invited to register now for the third annual tournament of the American Red Cross, scheduled for Friday, April 13, at Oak Ridge Golf Course.

Competition for low gross and low net in both handicap and Peoria flights is slated and there will be two shotgun starts, at 7:30 a.m. and 1 p.m.

Among prizes offered are a new car and a trip to Hawaii, according to tournament chairman Sheriff James Geary, of Santa Clara County.

According to Geary, the tax deductible entry fee of $25 includes green fees, starter's gifts, refreshments on the course and a steak dinner.

Reservations are being taken through the American Red Cross, 333 McKendrie Street, San Jose.

Scholarship program announced

The Community Ambassador Program will award partial scholarships of up to $900 to competitively selected college students in the metropolitan San Jose area. High school and college teachers not over 30 years of age are also eligible. Winners will have a summer's experience in a foreign country through the Experiment in International Living.

Living with a foreign family for a month is a basic part of the program.

A further purpose of the program is to help develop in the San Jose area leadership with a broad understanding of world problems.

Upon returning home, each "ambassador" shares his experiences with many civic groups through speaking engagements.

The application deadline is March 12. Information and application forms may be obtained from the following campus representatives:

Virginia Ellis, Student Activities, Calif. State University, San Jose.

Siv Wheeler, Social Science, West Valley College.

The local program is in its 15th year.

BIBLE GIFT--Mrs. Alta Kelly, left, a resident of Mission Convalescent Hospital, receives a large-print Bible from the American Bible Society, from Carol Hoyt, right, director of the Friendly Visiting Service. Also pictured is Ester Anderson, center, another member of the visiting service. Eight hundred large-print Bibles and New Testaments were recently received by the county visiting service, a division of the Santa Clara County Council of Churches.

PHARMACY PHACTS
By Allan Blaine

Vision testing is probably more important at puberty than at any other time. Eye problems often surface then.

* * *

According to a new theory, caffeine can create chromosome damage which causes the body to degenerate or grow older faster.

* * *

Fluoride toothpaste strengthens the resistance of tooth enamel to acids that are produced in the mouth.

* * *

An electronic device similar to a stethoscope is now being used to detect preliminary symptoms of strokes.

* * *

Smallpox vaccinations are no longer routinely recommended for children.

* * *

When your doctor prescribes the best, we do the rest, at...
the pharmacy with the "bedside manner."
